ALL IN

Ever since I retired from my job last year, I've been a stay-at-home slacker. I put in my 20 years as a teacher, took a very nice pension, and ever since, I have been taking it easy. Hey, I'm still relatively young—50 years-old—so, I might as well enjoy my life. Actually, I've been spending my time—almost every waking moment—playing poker online. I fancy myself quite well, having won a decent amount of money. Hell, I started with 50 dollars in my account, and have since built up to over 5,000 dollars. I'd have more, but I'm a conservative guy, especially when it comes to money. I've been consumed by poker, I guess. I even tried venturing outside the old homestead, getting involved in some live, cash games. Unfortunately, I wasn't as adept in person, so I just stick to my computer now.

I really don't have anything better to do. As for my wife, Brianna, well, she got a big promotion last year. An administrator, she spends most of her time at work, usually getting home very late. Let's just say that I could hit the "Bad Beat" jackpot with our sex life. I don't really have too many friends either. I usually get together with my best buddy, Ned—a chiropractor—on weekends. We have another mutual long-time buddy, R.J., but ever since he lost his job, we try not to deal with him too much. Just a downer, you know. So, for the most part—poker it is!

However, things got a little more complicated last week. It started on a Monday morning. I was on my favorite site, more than holding my own in a tournament. I like to chat with the other players as the game progresses. I had just drawn two "bullets" when an icon for a player named "Lady Luck" popped up. I had never seen her on the site before. She began engaging me in chat—

and she was kind of bold and cocky, to say the least.

As the game progressed, she backed up that cockiness with a lot of skill. We were one-two in the chip count, with me slightly ahead. That's when she wrote, "I like men who play well. You're good—but I'm better. I'm going to win today, but I'll deal with you again tomorrow." What a smart ass! Sure enough, though, she outplayed me and won.

As soon as I signed on the next day, who should pop up? You guessed it—Lady Luck! Once again, we engaged in a fierce competition, outdistancing the other players. At a crucial point in the tourney, she bluffed her way to win a huge hand. Then she typed: "I enjoy playing against you. I might like playing with you, too. How about we make a prop bet?" I quickly answered that I was game, hoping to take her down a couple of notches. But I wasn't prepared for what she had in mind.

Lady Luck then wrote: "If you end up winning today, you get to fuck me any way you want. If I win, I get to fuck you any way I want! Deal?"

Huh? Talk about a win-win. I didn't know what she looked like, but pussy is pussy—especially when

you're not getting too much anymore. I quickly agreed. Long story short—I went all in with a straight to the ace. She pulled a diamond on the river to make a flush. She won!

Her next message was short and to the point: "Meet me tomorrow at five p.m. at the Sunrise Inn—room 14. As soon as you walk in, get undressed. There will be a blindfold on the dresser—put in on and await my instructions."

The Sunrise Inn was a local fuck-and-flee motel. I guess Lady Luck lived close by, as luck would have it. I wasn't too crazy about the blindfold part, but I'd agreed to the bet, and I was going to pay up!

The next morning, I awoke with a bounce to my step, feeling vibrant, a mixture of hominess and apprehension coursing through me. I made sure to take an extra-long shower, and even splashed on some Old

THE FOURSOME NEXT DOOR!

Alice, Inez, Larry and Phil entertain their dirty old neighbor without realizing it!

"Ah, young people today," thought old Mr. Barker. "Living an unfulfilled dream of my youth!"

Through the wall in the next apartment, he could hear the busy sounds of his neighbors Alice, Inez, Larry, and Phil having one of their orgies. Two young couples who just couldn't keep their hands off each other! He saw the way they flirted down at the building's pool. And they fucked each other silly upstairs. He got them mixed-up name-wise, but they were all attractive individuals, and he could only imagine what their humping looked like.

Mr. Barker had a good imagination, and using that imagination had been his profession. He was a retired porn writer now living on his savings and Social Security in Florida. He had been part of the "Porno Chic" movement of the early '70s, writing for magazines and hardcore films. He'd had his own share of adventures, mostly with beautiful hookers and strippers, but at age 69, he still had never participated in a foursome. It was ironic, considering all the dirty epics he'd written, but in the end, he concluded that he had simply been a one-on-one kind of guy. He'd once had two hookers at the same time, but didn't really enjoy it because his attentions were too scattered. So why would he still think that being in a foursome would be so great?

Nonetheless, Alice, Inez, Larry, and Phil made it sound thrilling. Mr. Barker could hear the girls' moans and the guys' grunts through the thin walls. "Well," Mr. Barker thought, "Bless their horny hearts." This sure was better than his last neighbors yelling "Fuck you" at each other as they moved toward the throes of divorce. Yes, the soundtrack of this frequent foursome was infinitely preferable to that! ♦

DIGITAL PLAYGROUND'S RILEY STEELE TO HOST AVN

Adult film favorite and Digital Playground contract star, Riley Steele, will host the 2011 AVN Awards Show on January 8th at the Palms Casino Resort in Las Vegas. AVN founder, Paul Fishbein, said Steele became an attractive choice for a variety of reasons. "Having worked with her last year on the show—she was a total pro. Really smart, very beautiful and the kind of girl you can count on," Fishbein said. "She's a natural. Even though it's a tv show, it's a live event for an audience, and I certainly believe she is up to the task. And even though she's young, and even though she's only been in the business a couple years, she just has what it takes. And she's got great screen presence when you see her on film. So, I think audiences will love her."

"I'm ecstatic," said Steele. "This is huge." Steele, who launched her career in a memorable way in 2008 when she performed in Digital Playground's AVN Award-winning epic, *Pirates II: Stagnetti's Revenge*, is no stranger to the big stage. Some of her recent hits include Riley Steele: Strict Machine and Fly Girls. Steele is also made her mainstream feature film debut in the summer of 2010 in *Piranha 3-D*.

BELLADONNA CAST IN HORROR PICTURE "STRIPPED"

Adult movie icon, Belladonna, has signed on to star in her first non-adult motion picture, a horror film called *Stripped* being helmed by first-time director John Wildman and produced by, among others, *The Texas Chainsaw Massacre* producer, Jeffrey Allard. In a press release from the project's production company, Wildworks Productions, Wildman described Belladonna as a "dream choice" for the role of Ginger—a newcomer to the household of sadistic women who make up the movie's band of antagonists. "She has an innate openness and warmth that you can't help but be drawn to," Wildman said of Bella. "It will be a thrill to introduce her to a whole new audience and reintroduce her to Belladonna's legion of loyal fans."

Belladonna told AVN she was hesitant about the project when the producers first approached her, but at the urging of husband/business partner, Aiden, she read the script, and "By the end, I couldn't stop reading it. It was one of those [scripts] that just sucks you in, and I couldn't get enough of it. I read the whole thing in a couple of hours, and I was just like, 'I want to be a part of this.'"

Though she's never studied acting in any formal sense, Bella said the acting work she's done in adult has taught her a few things about the craft. "I've learned over the years to really just learn your lines, and then you can go crazy with the part," she explained. "You don't have to worry about anything else but trying to just make it feel as real as possible and pretend that that's who you are. I feel like I put myself in these role-playing situations where I become that person. And I'm the type of person that—even with porn—as long as I know what I need to do, I can show up and completely sink myself into it. So, if I can somehow make my acting as good as my sex scenes, then I'll be a lucky person!" *Stripped* is set to begin shooting in the fall of 2010.

SAVANNA SAMSON WINS HOWARD STERN'S "HOTTEST NUDE AWARD"

Vivid Girl, Savanna Samson, who has appeared nude many times on "The Howard Stern Show," has won "The Lifetime Skinachievement Award" given to a Stern show guest who is always willing to get naked—and look good doing it. Mr. Skin and Howard Stern announced Savanna's honor during the fourth and final episode of the four-part series: "Howard Stern's Hottest Nudes with Mr. Skin." The "Hottest Nudes" series featured dozens of wild and sexy clips from Stern's vast video library. Samson's competition for the award included Jenna Jameson and Tabitha Stevens.

The first three episodes of the series chronicled the wild and sexy nude history of each nominee. "Many beautiful women have appeared nude on the Stern Show, so it is definitely a special honor to be singled out by Howard and Mr. Skin," Samson said. "I always have an amazing time on the show with Howard and the gang, and I get great feedback from fans afterwards." Samson was awarded a special bronze trophy in honor of her win. Samson's latest movie for Vivid is the big-budget feature, *The Devil in Miss Jones: The Resurrection*, in which she plays the devil. Visit: shopvivid.com for more information.

THE RETURN OF DAISY MARIE

The beautiful, and critically acclaimed adult and mainstream star, Daisy Marie, is back after taking some time off from XXX. Daisy Marie will be returning to do only solo-girl modeling assignments for magazines, and possible modeling work on sites and spokes model work. Daisy will also be pursuing mainstream model opportunities as well.

"I'm very grateful for the opportunities and work I've received from the adult industry in the past, but after spending some time thinking about it, I've decided to come back to just do modeling gigs. I hope everyone understands. I still want to work, but just as a solo model. I've been taking great care of myself and look good and feel great, and can't wait to get started modeling," stated Daisy.

Daisy Marie will also be pursuing some mainstream acting roles as well. Her mainstream screen credits already include being a costar on the acclaimed Cinemax cable network series, "Co Ed Confidential." Daisy Marie also plans on releasing her beautiful and sexy 2011 calendar around the holidays.

SASHA GREY CAST IN RECURRING "ENTOURAGE" ROLE

Sasha Grey

AVN "Crossover Star of the Year," Sasha Grey, continues her conquest of Tinseltown by scoring a major role on the hit HBO series, "Entourage," as the love interest of main character, Vince Chase (Adrien Grenier). As reported by *TV Guide Magazine*, Grey will be playing herself, and will formerly meet Vince in the fifth episode of the show's seventh season.

Show creator, Doug Ellin said he was inspired to cast Grey by her impressive performance in Steven Soderbergh's, *The Girlfriend Experience*. "Sasha's the biggest porn star in the world right now, and when Soderbergh casts her as the lead of his movie, I take notice," Ellin said. "I wouldn't have done this storyline if Sasha passed. Luckily, she was okay with doing it." Ellin added that the story thread is based upon actor Charlie Sheen's much-publicized relationship with porn legend, Ginger Lynn, in the late '90s. Once introduced, Grey will stay on for the remainder of the season, and may return in season eight—the show's last.

NINA HARTLEY LAUNCHES INTERNET TV SHOW

Sex has often been regarded as a taboo subject. Hidden away in the dirty corners of the Internet or desensitized on a select number of medical pages, the act has been relegated to two distinctly different areas: pleasure and health.

Adult film industry veteran, Nina Hartley, is looking to change that. With the launch of SexWise.ME, an online social network community and "SexWise.TV," a weekly, live-streaming talk show dealing with all things sex, Hartley is hoping to bridge the gap between sexual education and enjoyment.

The goal of the brand is simple: To give members and audiences outlets for communicating, questioning and learning about their sexuality in an online community full of like-minded people.

To help members make the most of SexWise, the site offers a growing list of features including: E-books, E-courses, Skype Counseling, weekly articles and weekly streaming tv shows. Included as well are forums, discussion groups, members-only chat, erotic art, photography, and story sections.

"Sexual freedom is a fundamental human right, and consenting adults need to be able to talk freely amongst themselves without fear of ridicule or censure," Hartley says. "I hope SexWise will accomplish the goal of taking the conversation about sex, sexuality and sexual expression to the next level."

THE SWEET TASTE OF GIRL!

SHAUNA AND EVA DISCOVER THAT THEY HUNGER FOR EACH OTHER!

27314

It starts with a tongue. A playful kiss between two slightly intoxicated girlfriends, but then one of the tongues snakes out a little too deeply into the other girl's mouth and the next thing you know...it's lesbianism!

"Oh, I'm not really that way," one of them might say, but what's not to like? The taste of an eager, feminine mouth, the insistent hunger of feminine hands, and the aroma of feminine hair and flesh. Soon, the encounter is well in progress because, again, what's not to like?

Shauna and Eva—Eva and Shauna—a perfect example of what we mean! They really thought they were going to be fucking men tonight. They had just finished work in a club—they're strippers—and they headed to an all-night diner that was popular with their fellow peelers.

Although a couple of guys in the place tried to chat them up, there was no chemistry, so Shauna and Eva grabbed a cab and headed home. Shauna was going to get off at her place first, but Eva suggested she come over to hers for another cup of coffee. "I just feel talkative tonight," Eva said.

Talkative. Sure.

It was over that coffee that their first kiss took place. Then, the aching needs of their vital stripper bodies made them go wild. Soon, one of them was on the floor—in a position she would only have used back on the strip club stage—her legs up in the air while her friend probed her pussy with her aggressive fingers. They were lapping at their pussies, kissing their butts and sucking more face. It all became a whirl of lust that would last well into the late morning.

Where to go from here? The question was inevitable, as they later lay satiated in each other's arms. However, whatever ensued, whether they continued playing or went back to their hetero ways—they would always have a hot memory to masturbate over! ♦

BIG TITS IN SPORTS 3

STARRING: Gina Lynn, Julia Ann, Jodi Bean, Memphis Monroe, Ricki Raxxx, Keiran Lee, Alan Stafford, Scott Nails, Danny Mountain, Charles Dera

DIRECTED BY: N/A

AVAILABLE FROM: Brazzers

Watching athletic girls work up a sweat has seldom looked better than it does here. In the third edition to this incredibly popular series—an explosion of top porn girls are put through the paces in five highly charged scenarios.

Gina Lynn begins in a ping pong battle against Keiran Lee. Desperate to win the match, Gina yanks out her tits in an effort to distract her competitor. What

ensues is hot sex across the table that leaves Gina's tits dripping!

As that scene ends, visions of Julia Ann fill the screen. Eager to teach her students how to play dodge ball, Julia is quick to give Alan Stafford a personal lesson. With incredibly hot positions and plenty of coverage, Julia solidifies her top MILF status.

In the heat of the day, Ricki Raxxx learns the rules of baseball when Scott Nails feeds her his bat and balls. Salivating and riding hard—Ricki scores a homerun, especially in reverse cowgirl position.

Later, Jodi Bean is set on winning the coveted role of hockey goalie. Thankfully, Danny Mountain lets her try out for the team by using

his equipment. The result is steamy hot sex that has Jodi spread out across the net. Hot!

Memphis Monroe also has a go when she stuffs Charles Dera's bat between her boobs. She later rides him hard in numerous positions, before granting him overtime. ★★★★★

EXTRAS: The bonus scene starring Madison James and Mya Nichole is as hot as they come. Looking more gorgeous than any women should be allowed, these girls are the standout attraction in the bank of extras. In fact, their scene may even be better than the ones featured! The gallery of images is also quite solid, as are the trailers for bigger tittle fun. Have a look, you'll see! ★★★★★

YOUNG HARLOTS SCHOOL TRIP

STARRING: Shawna Lenee, Isis Taylor, Chayse Evans, Kristina Rose, Mackenzie Pierce, Madison Parker, Lexi Ward, George Uhl, James Deen, Jazz Duro, Tony DeSergio, Marco Banderas

DIRECTED BY: Gazzman

AVAILABLE FROM: Harmony Films

Because she's a great student, Lexi Ward is granted an American holiday in director, Gazzman's, latest stroke of genius. The remainder of the show is all about the sexy surprises that await Lexi once she enters the land of opportunity.

Chayse Evans and Isis Taylor begin the show by trying to earn extra credit from George Uhl. Sandwiching himself between both girls,

he uses their holes incredibly well. Making them earn his seed, George doesn't stop until both students snap, crackle, and pop.

Finally arriving at a mansion in America, Lexi walks around to see who's home. What she discovers is Shawna Lenee fucking and sucking the hell out of James Deen across a bank of stairs—and doing a fine job at that!

Continuing her journey, she later stumbles upon Mackenzie Pierce being treated like a pin cushion when two well-hung studs are caught stuffing her holes two at a time.

Getting incredibly aroused by the circumstances, she walks outside and discovers Jazz Duro nine inches up Kristina Rose's asshole. Spread across the grass like fertilizer, Jazz

makes Kristina repeatedly gasp and gape.

Madison Parker also catches the action and places herself in a fantasy that has three dudes filling her holes up, rendering her airtight.

In the end, Lexi Ward eventually finds a cock of her own and treats her English muffin to some solid American stuffin'. Hot! ★★★★★

EXTRAS: User friendly for a wide variety of nationalities, this featured attraction is available in English, French and German through the use of subtitles. Also good are the sexy pictures that are stocked in full and the trailers for more hot commodities. Let us not forget the cumshot recap option that makes this a sticky good treat from start to finish. ★★★

STARRING: Lexi Belle, Amia Miley, Brooke Lee Adams, Katie St. Ives, Gracie Glam, James Deen, Mick Blue, Manuel Ferrara, Mr. Pete, David Perry

DIRECTED BY: Sam No

AVAILABLE FROM: Elegant Angel

For some, there is nothing quite as exciting as sampling the newly sprung holes of cute girls that are primed for the pickin'. Director, Sam No, seems to agree as he assembles five barely legal babes and unleashes them onto porno studs. With fresh faces and good sex, fans shouldn't be disappointed.

Cover girl, Lexi Belle, looks as delicious as candy on the cover—and fucks even better

than more seasoned starlets when paired with James Deen. With girlish whimpers and a soggy pussy to boot, Lexi is easily the stand-out girl in this production.

Although Amia Miley fucks very well in the next scene, her rail-thin body is at times off-putting. Instead of getting excited about watching Mick Blue pound her round in doggie, we are more concerned that he's going to literally break her in two!

This is clearly not the case in the next encounter starring Brooke Lee Adams. With precious baby fat curves and big, squishy titties—Brooke exemplifies the healthy glow of youth—doing her best work on her side in spoon position.

Gracie Glam is another healthy teen with

natural curves. Likely getting it harder than she ever has before, David Perry fucks her pussy to a pulp—and then some.

Katie St. Ives finishes the show on a high note when Manuel Ferrara shows her what big boy fucking is all about! ★★

EXTRAS: Elegant Angel is one of the prime companies—and for good reason. Aside from always delivering quality porn, they also make it a point not to skimp out on the extras. Included here is a bangin' bonus sex scene, in addition to entertaining behind the scenes fun. The bank of images are also quite nice, as are the trailers, and the yummy cum shot recap option. It's solid! ★★

HITCH HIKERS

STARRING: Sara Sloane, London Keyes, Allie Jordan, Angelina Amani, Amy Brooke, Mark Wood, John Strong, Denis Marti, Mr. Pete, Seth Gamble

DIRECTED BY: Miles Long

AVAILABLE FROM: Third Degree Films

Taking a simple subject matter and turning it on its head to make it porn-worthy—director, Miles Long, scores major points with a movie full of hometown cuties that are out hitching a ride. Through five well-crafted scenes that are immaculately shot and presented, Third Degree proves to be a scorching-hot commodity!

Splashed across the boxcover, Angelina Amani looks drop dead gorgeous. This friendly

introduction to her becomes twice as sweet the moment she accepts a ride from Mr. Pete. Fucking him wildly at a bar, Angelina takes it all—hook, line, and sinker.

Allie Jordan continues the show when she thanks John Strong for giving her a lift by chowing down on his bone at his mechanics shop. Looking cute and playing it up a little too much for the camera, Allie is a good beginner.

London Keyes, on the other hand, is as slutty as they come. With a curvy, natural body, London is anything but shy when blowing Denis Marti. She later gives up more than just her mouth when she spreads her legs open wide, doing her best work in a perfect doggie squat.

Although hot, nobody can top Sara Sloane.

With unsurpassed beauty, Sara looks incredible when sucking off Mark Wood in the back of his car.

And Amy Brooke brings it home by granting Seth Gamble entry into her anus. Whew!

★★★★

EXTRAS: Although the extras are quite basic—with a cumshot recap option, trailers and stills being the only material represented—it is a matter of quality over quantity. The photo gallery section is second to none, featuring an incredibly erotic array of hardcore and pretty girl images. The trailers are extensive and exciting to watch. And the cum shot recap option? Let's just say you won't be disappointed.

INVASIAN 4

STARRING: Asa Akira, Lexington Steele, Jules Jordan, Voodoo, Mr. Marcus, Sean Michaels, Johnny Fender, Mike Hash, Scott Lyons, Arnold Schwarzenpecker, Chris Strokes
DIRECTED BY: Jules Jordan
AVAILABLE FROM: Jules Jordan Video

Asa Akira is as sexy as they come. Not in a long while has there been such a quality girl whose incredible looks and gorgeous body are equally matched by her ability to raise all cocks that meet her.

Celebrating the overall beauty and sexual prowess of this Asian superstar, director, Jules Jordan, has fashioned a movie all around her. Through five perfect scenes, Asa is captured

like never before. The outcome is to die for!

In what is one of the pinnacle scenes, Asa meets Lexington Steele for the first time. With heart-thumping action and an event that should be watched in doses—Asa takes it better than ever before as Lexington barely fits in her sweet, but saucy wanton.

She later encounters Jules Jordan as a submissive schoolgirl, although her ability to ride his cock in this scene is anything but juvenile.

When finished up there, Asa takes on a more dominant demeanor when she ties up Voodoo. With red ropes and an aggressive attitude, Asa tears into Voodoo and is repeatedly stung by his wand across a bank of stairs. Hot!

Still not satiated, she turns her attention

to Sean Michaels and Mr. Marcus. With hip-hop appeal and gansta style, she works through both chocolate stallions with porn star finesse.

Still hungry? Asa does the unthinkable by turning a blow bang session into an impromptu gang bang explosion! ★★★★★

EXTRAS: Asa continues to dazzle in the well-stocked bank of hardcore extras that are incredibly shot and presented. She also looks damn fine while the camera follows her around with the behind the scenes coverage. Watching the cumshot recap option will also serve you well, as it reminds us of the ten glorious pop shots she takes to the chops. Incredible! ★★★

RILEY STEELE: SO FINE

STARRING: Riley Steele, Kiera King, Madison Scott, Jessica Lynn, Tommy Gunn, Mick Blue, Scott Nails, James Deen, Ben English

DIRECTED BY: Robby D

AVAILABLE FROM: Digital Playground

In this wall-to-wall offering, director, Robby D, weaves together five simple stories that help to move the production forward. Led by Riley Steele and with impeccable camera-work, porn fans should be quite pleased with the result, although not blown away.

Riley Steele ignites in the first scene when she serves as the birthday present for Mick Blue, when Tommy Gunn forgets to buy an

actual gift. This threesome proves to be quite lethal as both men use this dirty blonde to their fullest advantage. Although hot, disappointment soon sets in when Riley does just about everything but snap her head off to avoid getting the cum in her mouth.

Madison Scott, on the other hand, does a much better job on the cum front when getting blasted by Scott Nails. After a thorough fucking that has her standing on the table to take it in doggie, Madison's a sight to behold!

Even better though, is Kiera King. While on the phone, Kiera is interrupted by James Deen whose head is stuck up her ass. Once the phone is hung up, Kiera gets nailed across the

kitchen counter in the movie's hottest scene.

Blonde beauty, Jessica Lynn, also gets nailed in a bathroom with decent results. Later, Riley has one last encounter with Ben English. But this time, she is forced to take his cum as he controls her head! ★★★

EXTRAS: Presented as a mini movie, the BTS coverage is quite extensive and entertaining to watch. Also, always good is the gallery of hardcore images that are being presented here in two different ways. In addition to that, the trailers are very hot and do their part to showcase the solid Digital Playground quality. ★★★

What's Your Guilty Pleasure?

Life isn't all double penetrations and fisting midgets. These porn babes have to sleep, eat and shop, too! Our crack reporting delved behind the pink curtain to ask these professional penis puffers: "When you are not on set, how do you like to spend your time?"

BOBBY STARR:

I love to swim and I love to go to the beach and just hang out with my friends and just go to the movies. I love to drive. Some days I'll just get in my car and just drive for hours.

27399

**DANA
DEARMOND:**

I'm on the Internet a lot. I get over two to three thousand friend requests daily—depending on the day. I have to maintain my MySpace accounts and stuff like that. It takes a good chunk out of my day. I like to exercise a little bit—I've taken up mat Pilates. It's fun and low impact. I'm just a nerd—I go to children's movies and stuff. They're very entertaining.

**AMI
EMERSON:**

I'm still skateboarding a lot.

**KIMBERLY
KANE:**

I like to spend time at home and hang out with friends. I like going to the beach for walks, photography, going out to eat, visiting bookstores, petting my lizard, and cooking up my next big movie and traveling.

27399

MISTY STONE:

Besides playing basketball, I guess I'm a movie watcher and I stay home and watch movies a lot. I'm kind of lazy, I guess.

25818

TATIANA KUSH:

I'm a total nerd. I sit on my computer and play "World of Warcraft." It's a multiplayer RPG game and it's actually really big right now. It's an ever-evolving world.

25323

JENNA PRESLEY:

To be honest, if you want to know the difference between porn Jenna and every day Jenna, just watch a film with behind the scenes footage. I am myself in the behind the scenes, and when the camera is rolling [it's], for the sex. That is when you will see porn Jenna Presley. I become a filthy slut.

25414

ASHLYNN BROOKE:

If I have a two or three week layoff, I tend to do nothing but eat. I love to eat anything fried—chicken fried steak, French fries. You fry it and I will eat it.

23217

JESSICA DRAKE:

At the end of the day, I am laid back. I love to cook, clean and do laundry. My friends laugh at me because I absolutely love doing laundry. I am just a regular girl. I will stay in and read a book instead of going out to party. Don't get me wrong, I like to go out and party sometimes, but where most people blow off steam by drinking or doing drugs, I love to cook. It relaxes me.

I wear my boy shorts, a wife beater, put my hair in a ponytail and work it all out in the kitchen.

COURTNEY CUMMZ:

I love Ben & Jerry's ice cream. More specifically, I love their New York Fudge ice cream. And I don't eat a lot of meat. I used to be a vegetarian, but now I am all about the seafood and cock.

26900

RILEY STEELE:

I have to masturbate. I carry a vibrator in my purse, so that's what I do before my scenes.

27364

STOYA:

Let's see: I wake up and I log on to my computer. I spend some time interacting with my fans on message boards and MySpace. Then, I get creative and sew or design clothing objects. When I get sick of that, I get back on the computer. I read a lot [and] I eat.

27362

SHAY JORDAN:

I love to cook. I have a degree from San Diego Culinary Institute. I love to watch movies and chill out. I love my dog.

RITA FALTOYANO:

On my days off I like to go to the gym, go to the cinema or hang out with friends. But, usually, I do a lot of things alone because everyone is busy in L.A. I like to stay busy. I don't like to be lazy. I want to wake up in the morning and know I have something to do. I like that feeling of working hard all day and coming home for a good night's rest.

RYDER SKYE:

Junk food. I am not a chocolate eater, but I love cookies, so I have to work out all the time. I am an emotional eater.

CUT TO

ROSEE LIKES FAST
MOVING BIKES AND
FAST-CUMMING MEN!

THE CHASE!

Rosee is a sucker for speed. And a man who travels quickly, who is in command of a speedy machine, is a sex symbol to her.

She heard the sound of her man, Chuckie's, bike—and she could almost imagine him with little wings on his ankles as he blasted his way up the road. This was their favorite secluded spot. She was going to give him a show, and then she was going to fuck his cock silly—and all to reward him for his beautiful gift of speed.

He got off his bike and sat down on the grass to enjoy a smoke. Rosee would get him into the mood for something else pretty fast. She's speedy herself.

She took down her little skirt and showed him her plump little number—shaven smooth—and it looked especially hot with those two complicated strap-py shoes standing guard in front of it. She knew that these stilettos had a definite effect on Chuckie. Just like she enjoyed fast machines, he was turned on by women in wild high heels—especially stilettos.

She rubbed her pussy while he began to stroke his thick meat. Soon, he joined her on the bench and she was blowing that beautiful cock. He was so stiff that she had to put him in her pussy and ass quickly! She straddled him, closed her eyes and let the sensations wash over her body. She loved to ride a hard cock in her asshole, just like she would enjoy riding on the back of Chuckie's bike after their orgasms—which weren't far off anyway.

Everything in her life was speedy—especially her men and her sex! Cut to the chase—that was Rosee's motto. Soon, he was creaming her mouth right there in the sunshine. What a wonderful mess he shot on her face! That alone, made her feel so happy and slutty...

Then they'd roar off down the road and the day would be complete for Rosee—lover of speed! 🍌

STOYA

THE SEXUAL
FREAK
RETURNS!

Few starlets have entered the porn business and dominated the industry immediately the way Digital Playground contract star, Stoya, tore through her rookie year in 2008. Her rough and tumble three-hole blastings in mega hit flicks including: *Stoya: Sexual Freak*, *Cheerleaders*, *Deeper 11*, and *Jack's My First Porn 10* earned her the undying admiration of perverts across the globe as well as best newcomer awards from AVN, XBIZ, XRCO and Eroticlinc. Then, with the adult world at her feet, Stoya walked away from the industry, though a much-publicized relationship with shock rocker, Marilyn Manson, did manage to keep her on the pop culture radar.

Now, Stoya is back and fucking on camera for the first time in over a year. Her newest XXX feature, *Stoya: Love and Other Mishaps*, delivers the North Carolina native in rare form—and a Stoya Fleshlight sex toy is now on the market—offering us all a lifelike replica of Stoya's pussy to defile to our heart's desire.

CI: You had one of the most successful rookie years in the history of the business. What was that year like for you?

Stoya: Well, the reason for that success is that I fell into a big contract with what is arguably the biggest and most high-end production studios in the adult industry. For me, I was just trying to do the best sex scenes I could to make sure I was living up to the hype. I didn't want it to just be all about the press I was getting.

CI: I think a lot of your success was the fact that your scenes were seriously hardcore from the beginning. Some stars start off only doing other girls or putting off doing anal. But you were all in from day one.

Stoya: Halfway doing porn to me is like just being 'a little pregnant' or being 'sort of dead.' You're either doing porn or you aren't. I walked into this knowing that I would be doing hardcore porn, so I wanted to really be hardcore. I wasn't going to fuck around and just do these pseudo-lesbian scenes. Unless the chick wants to seriously fuck, then I'm totally into it.

CI: Were you raised with a healthy attitude towards sex?

Stoya: I believe I was. My mom was [a] super-ultra feminist, but she was also a crazy hippie when she was growing up. So, she believed that 'It's your body and you should do what you want with it.' Though she isn't too crazy about me deciding to paint it up and wearing fake eyelashes and high heels. (laughs) It's actually funny because, with people I have sex with in my personal life, they say, 'Oh you do this and you do that. You're so different from other girls.' I forget that there's girls that fake it, or get uptight about certain things.

CI: In your career, you were as big as it gets, and suddenly you were gone. Can you talk about what happened?

Stoya: I don't know how comfortable Digital Playground is with me talking about this. But, what happened was that when I originally signed my contract, I wasn't aware of everything that I was getting myself into. I thought I would just be shooting the required amount of scenes, sign at the trade shows and maybe do a few shoots, then the rest of the time I could spend doing what I wanted.

Next thing I know, I'm at my first AVN show and I'm finding out that *Pirates II* is becoming this big fucking thing, and I'm like, 'holy shit.' Then, I find myself sitting across the room from these people that are telling me that they want to make me this huge star. I was thinking, 'yeah right.' But, they were serious. Remember: I was in my early 20's when I signed with Digital, [so] I guess I was a bit naïve. I wasn't prepared for all the time and work that went into this, and eventually, I just needed some time off. But, now we've worked out something that is good for everyone involved.

CI: Your new movie is called *Stoya: Love and Other Mishaps*. Can you talk a bit about that?

Stoya: The movie has a real story and some drama, but most of all there are some amazing fuck scenes in the movie. I fuck Erik Everhard, Christian, and Mr. Marcus— and that's always a good time. The sex scenes are great and I had a lot of fun doing them.

CI: Who else is in the cast?

"I walked into this knowing that I would be doing hardcore porn, so I wanted to really be hardcore. I wasn't going to fuck around and just do these pseudo-lesbian scenes."

"I want to fuck. When I come to shoot I'm not thinking about blocking and moving shots. I want to bang Tony De Sergio or Mr. Marcus."

Stoya: Sasha Grey, Nicole Ray, Mick Blue and Scott Nails.

CI: So, while you were on hiatus, were you paying attention to what was going on in the business?

Stoya: Not so much with the politics of the business. I was getting hit up on Twitter about things that were going on. I do know there was a shitload of parodies being shot. [laughs]

CI: You have been in some huge movies like *Pirates II*, *Cheerleaders*, *Nurses* and *Teachers*. So, when something like *Fly*

Girls hit big, were you thinking, 'Shit, I could have been in that one too?'

Stoya: Not so much movies like that. Those big productions and plot-driven movies aren't my favorite to make. I got into porn to get fucked on camera. I want to fuck and make scenes that are hot and look good, and I want people to jerk off to them and make them part of their sexual experience. I'm much more comfortable getting DP'd than doing dialogue. I struggle with that. I want to fuck. When I come to [a] shoot, I'm not thinking about blocking and moving shots. I want to bang Tony De Sergio or Mr. Marcus.

CI: Is your hardcore approach to sex on camera—and the sometimes-rough nature of it—a reflection of your approach to sex off camera? Or is your work in movies more of an artistic sexual expression?

Stoya: Porn is a product. It's not about being artistic. Anything I do on camera is done to make the scene as hot as possible so the movie sells and the company makes as much money as possible.

CI: But your sex scenes are intense. I can't imagine that's something you can just turn on and off.

Stoya: Sex to me is not just inserting tab 'A' into slot 'B'. It's a wide variety of experiences and things you want to try and like or maybe not like as much. If you're asking me if my sex on camera is like the sex I have in real life, sometimes it is. I don't break out the stilettos, latex and handcuffs and get pounded every time I have sex, but sometimes I do.

CI: When you made the decision to come back, were there any stars that you were looking forward to working with again?

Stoya: I've worked with some really hot people like: Katsuni, Belladonna...of course Riley [Steele] and Jesse [Jane]. They're all amazingly hot and I'd like to work with all of them

"I don't break out the stilettos, latex and handcuffs and get pounded every time I have sex, but sometimes I do."

again. And they're guys like Manuel Ferrara, [Erik] Everhard and Mr. Marcus. Oh and Lex [Lexington Steele].

CI: In your early interviews you talked about not wanting to date and be in traditional relationships? Not that long ago you were in a very public relationship. What changed for you?

Stoya: Obviously, I did date someone for a while and he was absolutely okay with who I am and was always very supportive of me. I think that earlier on, I didn't properly articulate my feelings about dating. What I was really talking about was not being available for that sort of thing. In this industry, when it's time to work, you have to be ready to work your ass off.

And when you have to cancel plans because you have to get on a plane or go shoot, a lot of guys can't handle that. I don't think it's right to put myself or the other person through that. When you think of all the guys who could deal with that kind of work ethic, then the cut it down to the guys that have the personality traits that would make me want to spend time with them, and are also good to bang—we're not talking about a large percentage of the population.

CI: If you were in a relationship, could you see yourself going the route of not doing guys on camera anymore if he asked you not to, or are you more of the, 'This is me, like it or leave it,' kinda girl?

Stoya: It's 'like it or leave it.' You hit the nail on the head.

CI: I hear you have a Fleshlight now. Are you excited?

Stoya: I do, and it's very exciting. I don't really have time to have sex with everyone that I would like to, so now I can multi-task. (laughs) This thing really looks like my vagina. I'm really into techie things and science fiction, and this thing is so cool. When you fuck it, the material actually pulls and pushes like skin. It's fascinating. I know people are going to say, 'Yeah, but it's not your real pussy.' But, I promise you, this might be even better, because my fake pussy will not roll over on you in the morning and tell you 'go make me some fucking coffee!'

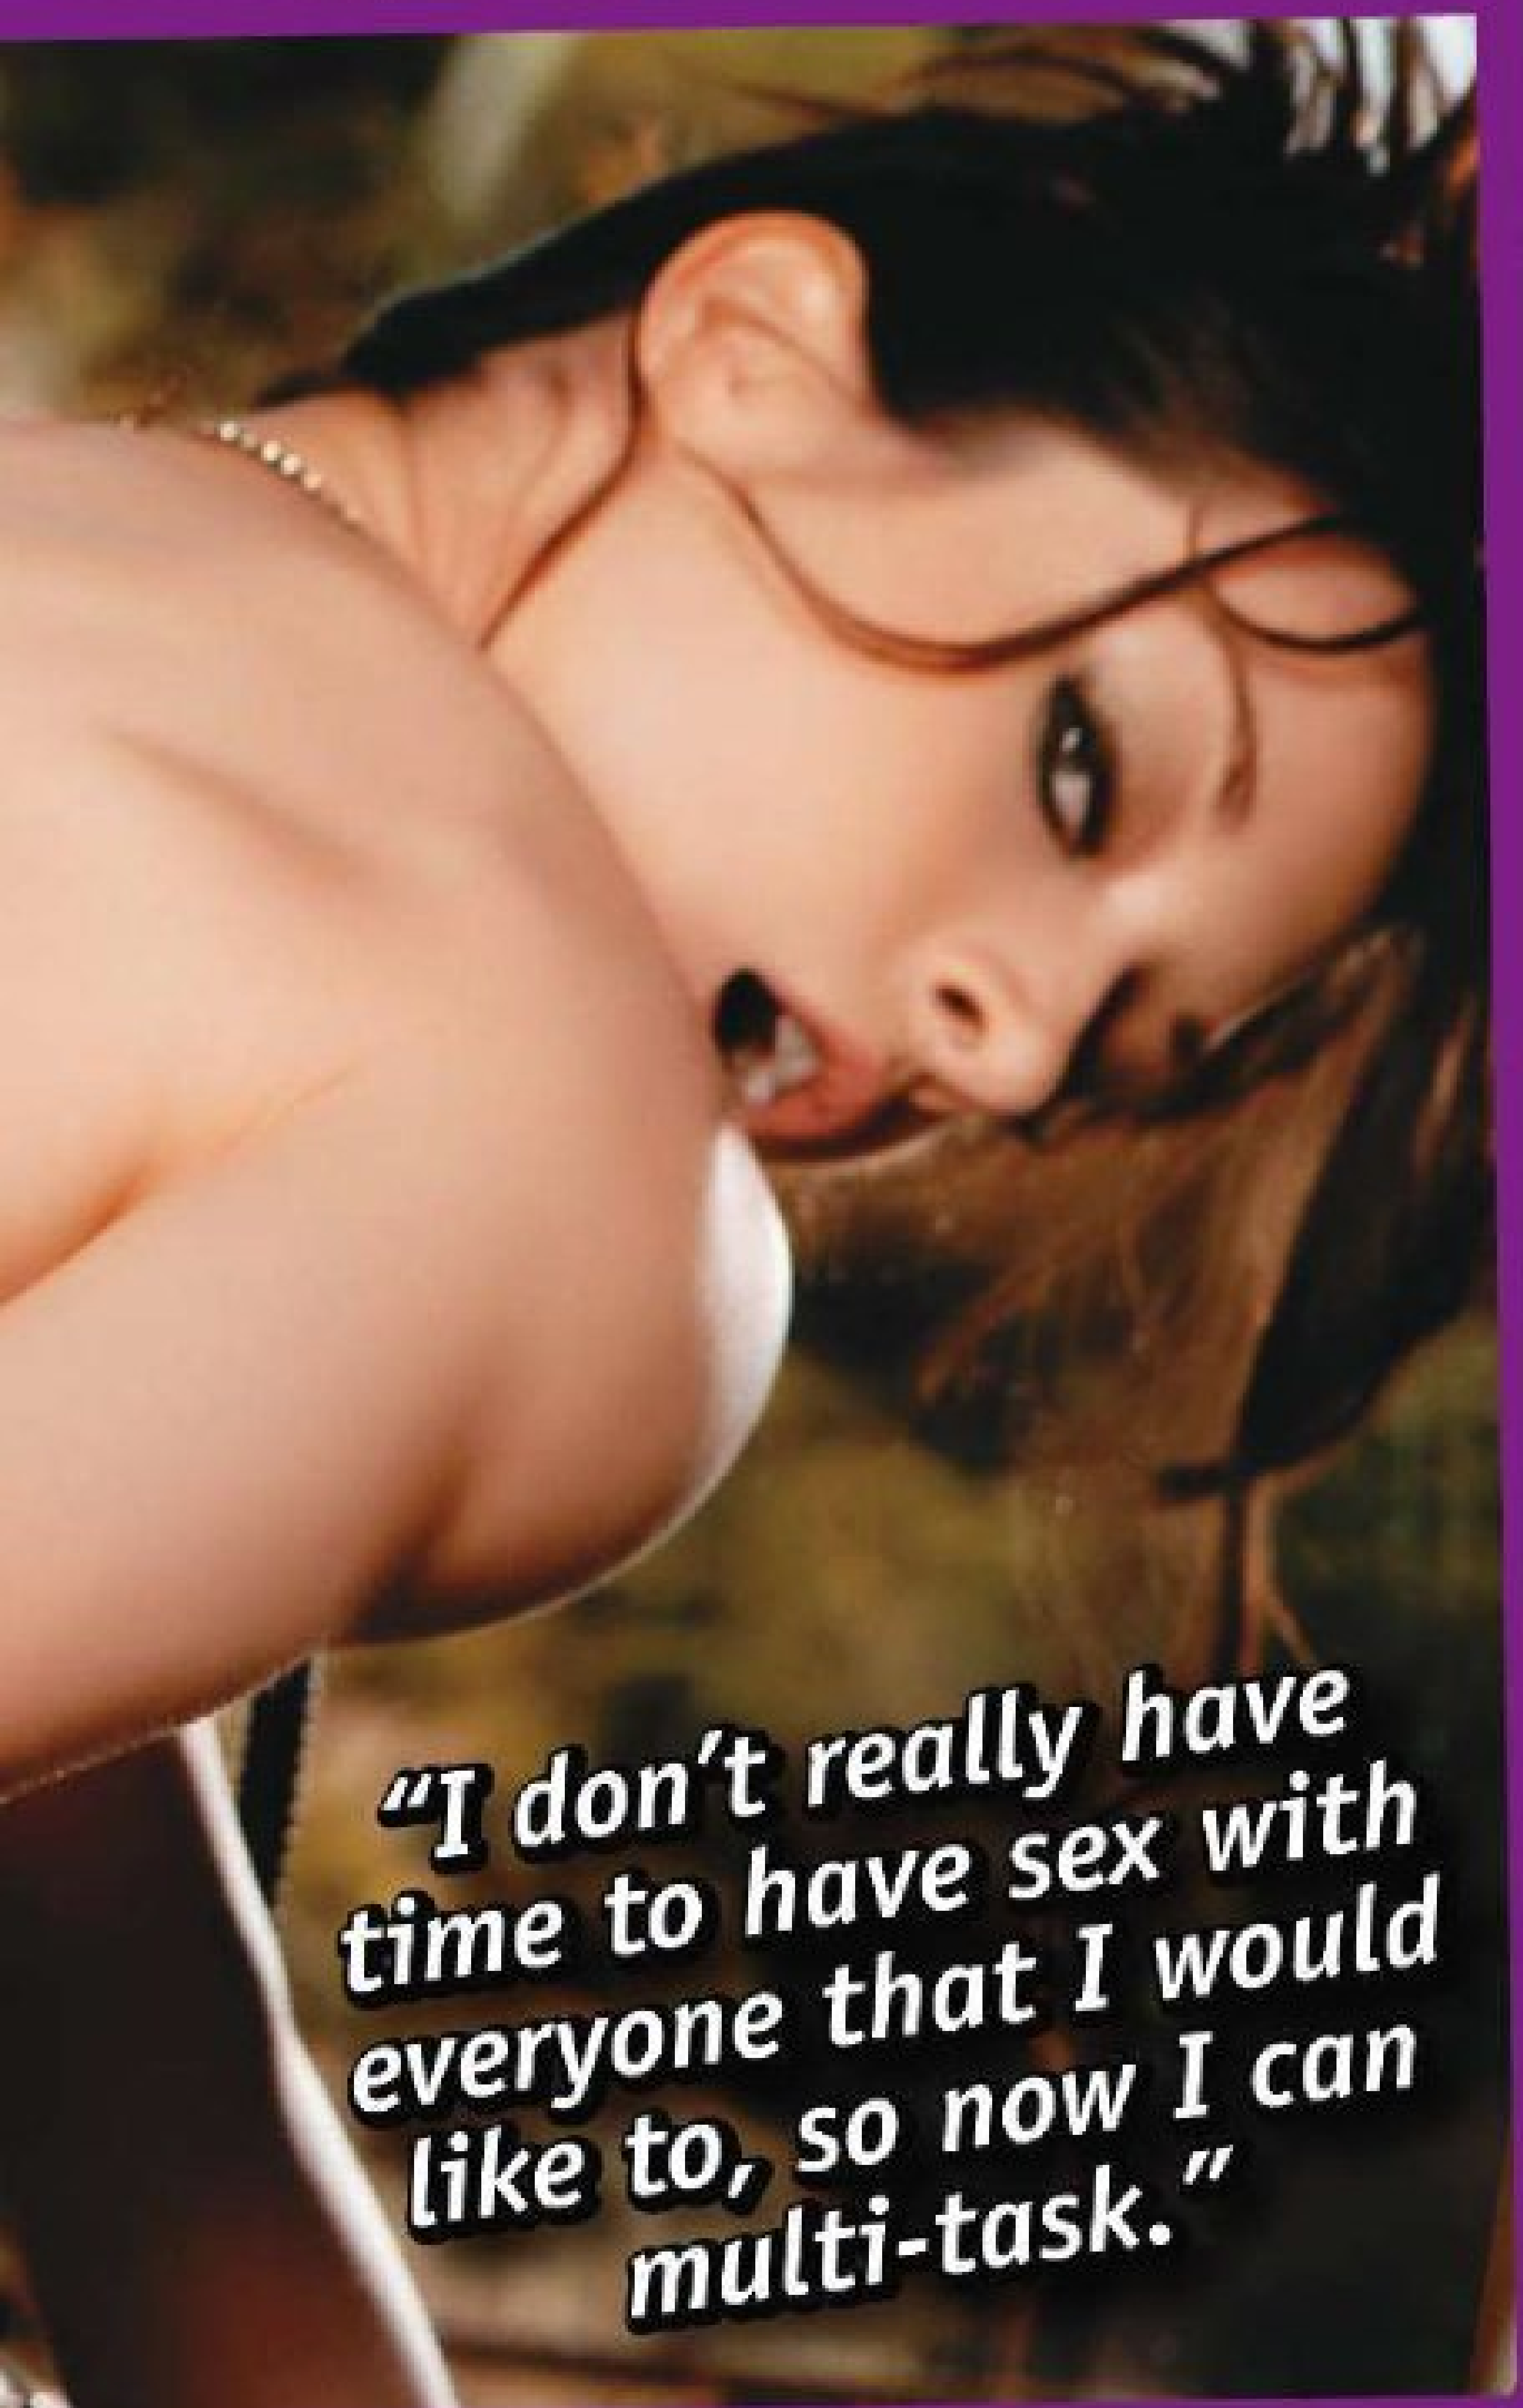

CI: And that's something the real Stoya might say?

Stoya: (laughs) The real Stoya always says that. So, things might work out better with the Fleshlight.

BACK FROM THE HONEYMOON!

BUT IT'S HARD TO
WORK WHEN YOUR WIFE
LOOKS LIKE THIS!

Hi, dear! Did you have a good day at work? Oh, I know it's hard adjusting to real life after the honeymoon we had! What's that, darling? Everybody in the office said you looked as if you hadn't slept a wink in two weeks? Well, they're right, aren't they? I don't remember sleeping at all, do you?

What's that, sweetie? Why do I look well rested, and you look as if you'd just gotten back from a marathon swim in the Everglades? I guess that's because us females thrive on loving, but some of you guys get all wrung out!

Don't worry, though. I'm your hootchie-kootchie, your sweet honeydew. Your rumpus-pumpus wifey here, is going to make you a really good dinner that will put the pink back in your cheeks! How about a juicy steak with a baked potato and a healthy salad?

After all, you won't be of any use to me if you don't have enough strength to fuck me four times tonight the way I need—and demand!

So, just you sit down there at the table and loosen your tie and let mama take care of everything. You read your newspaper while I grill the steak.

What's that, darling? I'm distracting you in my outfit? You don't want to read the paper, but fuck me instead? I thought you needed rest? You can't keep your hands off my tits? You want to stick your head under my little apron and lick my girlie cookie? You want—oh, you want a cup of milk, too? But, I was going to give this to Rover! Oh well, you can have the first cup...that's it, honey, it's all for you...drink it off my boobies...you know it's good for you...

And what's good for you, is good for my kootchie, too! ♣

TRIPLE ACTION

QUICK ABSORPTION FAST ACTING RAPID RELEASE

WHICH FORMULA IS BEST FOR YOU?

PRO+PLUS PILLS ADVANCED FORMULA

Our exclusive advanced formula for men with a form of HYPOSPADIAS or small penis since they were young. Size now is less than 6 inches and need a guarantee of accelerated enlargement to reach a much larger size. Can also be used by men larger than 6 inches and need guaranteed maximum enlargement.

PRO+PLUS PILLS ORIGINAL FORMULA

This formula is for men who are now 6 inches or more and want to be guaranteed maximum enlargement.

WHAT WILL PRO+PLUS PILLS DO FOR YOU?

- A longer, thicker penis enlargement up to 5 inches or more and width up to 50%.
- Erections when you want them. Rock-hard bigger erections every time.
- A longer and thicker penis even when you are not hard. Because there is more blood flow, your penis 'hangs' larger all day.
- Enjoy powerful, intense orgasms..
- Reduce recovery time between sexual intervals.
- Permanent results if taken continuously for 3 to 4 months and followed by a maintenance program.

Although adult entertainment has generally been thought of as a male dominated pastime, women around the world are proving their love for pornography as well. With a sudden explosion of female viewership, women have become a viable segment in the porn arena.

New Sensations has taken notice of this neglected sector by introducing a new division to their company called "Romance," to meet this demand. Designed for women or couples in the mood, with an emphasis on love—the Romance line is heavy on emotional storylines, and softer settings. Through realistic sexual positions, intricate camera angles, and well-developed characters, these movies tug on emotional heart-strings by investing the viewer's mind before allowing the body to follow. The entire concept is a brilliant idea that is being shot and presented through the keen vision of director Eddie Powell.

In this latest installment, *Awakening to Love*, Samantha Ryan plays a woman whose "happily ever after" comes to a crashing halt when she becomes the victim of an automobile accident. Promising to never leave her side, her fiancé, Dale DaBone, grows hopeless as the months tick by without any improvements in Samantha's condition. When Samantha finally reawakens, who or what will be

waiting by her side? This is the central theme of this particular installment that has already begun shooting as I arrive at the bustling Los Angeles location.

The story begins with Dale and Samantha coming home from a fabulous night on the town. Leading her into the bedroom, Dale professes his love to Samantha before laying her across their bed to worship her body. Spending ample time kissing her bee-stung breasts, Dale funnels her tan nipples in his mouth and watches the reaction flood across her face. "Suck them harder," she moans, rising up on her elbows to watch his lips curl around her nips.

After trails of saliva stream down her chest, Dale licks around her naval and bats at her pussy with his paws before parting her labia with his teeth and tongue. "You taste so sweet," he whispers, coming up with a dripping wet face that looks as if he's been sucking on juicy peaches. She smiles and shoves his face back into place, "Give me more!"

After ample oral is given to Samantha, she returns the favor by crawling over to Dale and releases his package from his pants. "Let me suck it," she purrs, painting pink lipstick rings around the head. Grabbing the back of

her head, Dale eases his meat into Samantha's warm mouth. Once inside, she takes control by rolling her tongue around his shaft and fingering his balls like she's tickling piano keys. "Do you like that, baby?" she continues.

In a synergistic manner, as Dale's cock grows in Samantha's mouth, her pussy responds with trickles of pussy gloss that stream her inner thighs. Dale is quick to notice this splatter as well, pulling his cock from her mouth and deciding where and how to stuff it next. Flipping Samantha around the bed a few times, Dale seems most enamored with her ass. He stands her on the edge of the bed and gives it to her in standing doggie position.

Screeching the bedcovers between her fingernails, Samantha digs in deeply as Dale impales her pussy from behind. "Harder, baby! Harder!" Samantha screams, as her chest reddens and her pussy pops.

Arranging her in several more positions, including missionary and spoon, Samantha's beautiful beaver practically squeezes the cum right from Dale's hose as he unleashes his gravy across her bush. It's fantastic!

As the story continues, Dale sends Samantha off in the morning with a passionate kiss. Disaster soon strikes as Samantha is run down by a motorist. Now in the hospital and in a coma, Samantha's best friends, Misty Stone and Tony De Sergio, come to show their love and sympathy. Unable to cope with the tragedy, Tony drives Misty home to console her. Weeping and sad, Tony decides that the best way to support his wife is to show her love.

He begins by grabbing her pretty face in his hands and kissing her intently. Wrapping her puffy lips around his and biting on the edges, Misty buries her tongue down his throat. While unzipping his pants, she begs, "Please stick it in my

mouth." Her chocolate brown eyes are so piercing that Tony melts at the sight of her.

Eager to please his wife, Tony allows Misty to stuff her mouth to capacity with his meat. With rounded out cheeks and plenty of saliva, Misty delivers a sloppy wet blowjob that covers his balls with scads of warm spit. "You're so fucking good at that!" he moans, holding her head down until her mouth is flush against his stomach. "Yeah pretty girl. Take it," he continues to say as Misty starts to polish his nuts.

When satiated, Tony flips Misty around and begins to eat out her asshole. "Squeeze it together," he mouths, as she clinches her butt muscles around his tongue. Changing his demeanor slightly, Tony gives a few playful smacks on her ass before resting her on the couch to excavate her clam in a doggie squat.

Once Tony brings Misty to orgasm, she takes the reigns in cowgirl position. Locking her legs behind his back, Misty bucks and thrusts her hips against his dick. He pulls her in closer by the butt and sucks on her nipples while she continues to ride. "I'm going to explode," he wails in a thick English accent, before squirting her belly full of buttery jizz. It's a climactic moment indeed!

Meanwhile at the hospital, two patients, Allie Haze and TJ Cummings, have developed a close friendship and bond with one another. Upon Allie's release from the hospital, TJ professes his undying love for her. Also in love with him, Allie begins to weep at his soulful admission. Positioning her on a bedside chair, TJ spreads her legs open and begins to long lick her snatch like a melting ice cream cone. "I always knew you'd taste as sweet as

"RIDING HIM OUT WITH FURY, ALLIE GIVES TJ HER ALL."

sugar," he says while sucking on the drippings that are coating his lips. She smiles, holding his head in place and watching his thick fingers spread her vagina open.

When she's had enough oral, she palms his cock in her hands and pinches his nipples, as he begins to grow in her grip. Once hard, she power sucks his pecker and runs her fingernails along his stomach. "Do you like the way that feels?" she purrs.

He kisses her face and positions her on the hospital bed in spoon position. Now behind her, TJ lifts Allie's right ankle, making her pussy fully visible to the camera, and injects her with his hot beef. Like metal to magnet, Allie's hungry hole opens wide and takes all TJ has to offer. "God, you're so big!" she whimpers, as splashes from her juice box come pouring out.

"Give me a few more positions from the chair," Powell interjects as the duo takes a momentary water break. Back and ready for more hardcore action, TJ sits on the chair and arranges Allie on top of his lap. Looking so petite against his body, Allie proves that good things come in small packages. Riding him out with fury, Allie gives TJ her all. "Cum inside of me!" she pleads, as he begins to fill her up with his loving spoonful.

Having awoken from her coma and discovering Dale's absence, Samantha becomes depressed and dejected from the ruins of her ideal life. She soon befriends Danny Mountain—the man who shares her hospital room with her. As months go by, their bond strengthens and their love begins to grow. Just as was the case for TJ and Allie, Danny also admits his love for Samantha before he is released from the hospital.

In the final scene of the production, Samantha and

S Danny decide to take their budding relationship to the next level. In an elegant bedroom, Samantha and Danny can't wait to tear into each other. With clothes flying in all directions, Danny leaves Samantha in a white bra and panty set. Embracing her from behind, he glides his hands inside the lacy cups and squeezes her nipples until she moans. Once the bra is removed, he nibbles on her ears and plants kisses down her slender neck. "Blow in my ear," she requests, gliding her hand down her panties to feel her clit ripen as his warm air wrestles around her hair.

"Lay down, my dear," he motions, placing Samantha on her back against the baby blue sheets. Teasing her pussy for just a moment, he licks the silky fabric and pulls it up with his teeth. Eventually he tugs the soggy material to the side and connects with her pink meat. Her body rises with each lap from his tongue, and chills fill her natural frame. "I love it. I love you so much," she sighs, deep in character and experiencing the moment completely.

She later rewards his excellent oral with some of her own. She then lies against his body, slipping his sword into her slit. Rolling her hips around and swaying her body in a beautiful "S" curve, Samantha works Danny over. He jumps up on a few occasions in order to escape from the clutches of an early nut. "Fuck, your pussy is so tight," he jokes, coming back to finish Samantha off. He does this from behind in spoon position, relieving himself over her pussy with a cum blast that turns her brown bush white.

As the movie concludes, Powell congratulates the cast and crew on a job well done. Deserving of the accolades, *Awakening To Love*, is a shining example of where the future of adult entertainment may lie. Reaching out to an entirely new segment of the market, men will certainly be turned on as they witness the positive effects these movies will undoubtedly have on their female companions. And everyone knows, when she's happy —you're happy! ♡

Carina Shay is sucking Zack's cock...playing with a vibrator...letting her creamy tits get plowed...and maybe she's doing it as much for the sake of your girlfriend or wife as for herself? Exhibitionism is one of the top female fantasies, but obviously most women don't have the courage, or the confidence in their appearance, to attempt it. That's where the porn stars come into play! They are doing what others fervently wish they could do, too.

If Errol Flynn as Robin Hood lived out the derring-do in the hearts of ordinary men everywhere, then the Carina Shays of the world are living the public sexploits that the cute girl behind the counter at the supermarket can't dare perform herself.

We're not saying all women want to suck dick and take loads in front of a camera, but we are suggesting that porn stars are fascinating to women for the same reason that they are to men—

Spice (which I don't do much anymore). I left my house at 4:30, made it to the motel in ten minutes, and sat in my minivan in the parking lot, nervously awaiting this mysterious encounter. My cock was throbbing inside the polyester of my slacks.

At five sharp, I knocked on the door of room 14. It was open. It was also pitch-dark. Closing the door, I undressed, standing there totally naked, then reached for the blindfold that I found on top of the dresser. That's when I heard a sexy voice whisper in a hardly audible tone: "Walk over to the bed and lay down." I did. The next thing I felt was warm breath inches from my lips. A wet tongue invaded my mouth and shot down my throat. My hands explored Lady Luck's body. She felt voluptuous—full and fleshy. Being a big man myself, that was fine with me. She whispered: "Just do what comes naturally." I did.

First, I sucked on her large, pendulous breasts as the nipples perked up in my mouth. At the same time, her hand caressed my five inches. For a moment, I thought there was something familiar about the touch, but that thought vanished as her urging made me forget everything but the pleasure I felt. When her hand gave way to a velvety mouth, I could have easily forgotten my own name. This chick sucked a mean dick! Hell, she even licked my balls—a sensation I hadn't known in quite a while. She then maneuvered her body so that her pussy was over my face so I could taste.

She then climbed on top of me—cowgirl style—and rode me like we were at a rodeo inside a sleazy motel on Long Island. Her pussy was wet, inviting and felt so good. I was just about to go over the edge when—in a dazzling instant—she removed my blindfold and screamed: "Hey, honey, guess who? You fucking cheat!"

It was Brianna! Talk about losing an erection. I saw my life flash above my eyes. But then she said, "Listen, I know I haven't been there too much for you lately. I figured we needed to spice up our sex life. Though I'm not too crazy at how you'd cheat at the drop of a hat, I sort of understand. You get this one pass. From now on, I think things are going to be different!"

With that, she climbed back on and we fucked the night away. Let's just say, the past few days I haven't been playing as much poker!

LESSON WELL LEARNED

Did I ever get a surprise last week! I'd like to tell you and your readers about it. By way of background, let me say that my wife and I have been married for nearly ten years, and though we were both virgins when we wed at an early age, we've had a good sex life. Nothing unusual—lots of making out and heavy petting, then good fucking—usually with me on top,

although occasionally when Alicia is horny, she'll get on top which she knows I can't get enough of.

Anyway, Alicia had been telling me about this new gal at work. She said that Sara was a real knockout, about our age, and had a terrific sense of humor. "Just what I needed," I thought, "Another girlfriend for my wife." Then one morning, as Alicia was going out the door, she said, "By the way, Sara's coming for dinner tonight."

The more I thought about it, the madder I got, so when I left work, I went to my favorite bar and had a few beers. A little after eight, I slithered in the backdoor and poured myself another beer. Among other things, I noticed two of the three plates on the kitchen table contained half-eaten meals, and the new liter bottle of vodka on the bar was half-empty. I went in search of Alicia and her guest. I found them sitting on the couch, drinks in hand, both wearing lingerie. My wife was right—Sara was a knockout!

Giving me a dirty look, Alicia stood up and flounced out of the room, saying, "I'll be right back!"

"Hi, I'm Sara," Sara said, extending her hand.

Between the beer and Sara's looks, my mad started to go away. Maybe I'd been missing out during all these years.

"I'm a little drunk and very forward," Sara said. "May I talk to you?"

"Sure," I said, wondering what was coming next.

"Alicia tells me you've never made love to her!"

I sat down. "Huh? We make love a lot!"

"Oh, I know you fuck her. I mean you've never really made love to her. Like I did tonight!"

She must have realized my befuddled look wasn't entirely from too many beers.

"Look, I'm a dyed-in-the-wool lesbian. I wouldn't let you touch me with gloves on. Alicia's not like me; she loves you and she loves your cock! But she loves what I do to her, and she'd love it if you'd do what I do to her!"

I turned beet-red. I knew exactly what was lacking in our sex life and Sara called me on it: Cunnilingus. I'll admit, I'd always meant to get around to learning how to eat pussy, but I always thought Alicia was happy with our sex life that it didn't really matter to her all that much.

"Go and get undressed," Sara said. "Put on a robe, wait ten minutes, then sneak in here and watch what I'm doing. Get as close as you want, but don't touch me!"

As I slipped up the stairs, I heard the bathroom door open, and a few seconds later, Alicia padded into the living room. About ten minutes later, I tiptoed down the stairs and looked around the corner. Alicia was naked on her back, her legs spread. Sara was on her knees beside the couch,

her right hand covering Alicia's crotch—her left caressing Alicia's right breast, her mouth gobbling on Alicia's other breast. Hell, I could do that!

Alicia's hand was in Sara's hair and it looked like she was trying to urge her head lower. Alicia's body was writhing—she was gasping and moaning and her hips were undulating. Sara shifted Alicia's body so her butt as on the edge of the couch, her legs spread and hanging down to the floor. She motioned me closer, then leaned down to Alicia's pussy and began to blow.

Sara glued her mouth to Alicia's bush and Alicia really began to buck. She had always been responsive when we fucked, but never like this. I got as close as I could, because the light wasn't the greatest. Light or none, the first thing I noticed was Alicia's incredible aroma. It seemed to go straight to my cock. If it were hard before,

it was like a rock now.

I could now see clearly what Sara was doing. She had her lower lip just below my wife's nether regions; her tongue was probing and licking Alicia's slit and her upper teeth were ever so gently scraping her clit. Alicia was writhing and moaning as if she were possessed! Then, Sara changed gears—her tongue first was buried in Alicia's love hole, then was flicking her clit at a mile-a-minute pace.

After alternating this routine a few times, Sara added a third mode. First, she'd bury her tongue in Alicia's cunt, then flick her love button, then back to the slit, then remove the tongue and gently nibble Alicia's clit. With that, my wife went absolutely crazy!

Then my wife opened her eyes, saw me, and nodded. I was so hot, I didn't think about anything but getting into Alicia. I spread her back on the couch and jammed my love-pole in to the hilt. She was softer—yet tighter—than I had ever felt her. Her pussy was throbbing around my rod with the beginnings of her climax, and I wasn't far behind. She shuddered, and my cock shot forward—then recoiled, time and again. With each cycle I fired huge shots of cream into Alicia's love canal and by the time we'd settled down, I felt like I'd cum a mason jar full!

When we were coherent, I looked around to see Sara standing in the doorway, fully dressed. "Goodnight, folks. I hope you like what I taught you!"

Boy, did we ever. Our sex life has now improved more than I ever would have thought possible. Oral sex is a great invention, however, my horizons have been broadened—now I fantasize a threesome with Sara. And so does Alicia!

WELCOME TO THE ORGY

Dear Club International,

When my wife, Emily, insisted we go to this “wild party” we’d been invited to, I figured it was a business gathering. No matter how wild she said it would be, I didn’t want to go. I hate business parties, but finally I agreed to tag along, and I’m awfully glad I did. In fact, that’s why I’m writing—to tell you about my very first orgy!

We rang the bell and a maid opened the door. I could tell she was a maid by the apron she wore. It was her only article of clothing. I’d have stopped to admire her full, firm tits and deliciously tiny waist, except I was too shocked! What kind of party had my wife brought me to? But, the real shock came when we joined the other guests. I saw a couple fucking in a chair in the corner—the woman sitting on the guy’s lap and bouncing her cunt on his prick.

While I was taking in the sight, a man began to unbutton

wrapped herself around me. “You finally got him here,” she said to Emily. Then her mouth was against mine—probing and licking—and I felt her hand squeeze my cock. Before that, I hadn’t even noticed that I was all that hard.

The brunette pulled my pants off. She left my briefs on and reached through the opening for my swollen shaft. “I could take them off, but I always think a man looks so sexy wearing...Oh, my goodness, Emily, you were right—he’s gigantic!”

I’d be damned if she didn’t call another chick over to take a look. The two of them oohed and aahed over my big dick for a while, then the brunette turned around, showing me her pink pussy from between her sweet cheeks. Her cunt was oozing white from some previous lover. I looked around for Emily. She was still with Bruce, spreading her pussy lips wide apart, ready to

“The other lady reached down and guided my cock, fingering the brunette’s love knob...”

Emily’s dress. She shrugged it down so his hands could get at her tits, and she was humping against the hard-on I could see in his pants.

“Emily!” I cried. I didn’t mean to yell so loudly, but it looked like it would take a lot to break her concentration. “What is this madhouse?”

“An orgy, dear. Now take off your clothes and enjoy yourself. I haven’t seen Bruce for a couple of weeks!”

She’d told me from the very beginning that she wouldn’t be faithful, that she’d fuck around, and expect me to do the same.

I did, and reported all my activities to her. She wanted to tell me about her exploits, but I asked her to refrain from telling me any details. If she enjoyed herself, I guess I didn’t mind—but I didn’t want any examples!

I didn’t have a chance to watch her with Bruce because a short brunette with big tits

take his fat shaft inside her.

She saw me looking and blew a kiss. I shrugged and turned back to the brunette. She was waiting and I moved my cock against her. The other lady reached down and guided my cock, fingering the brunette’s love knob as she did.

I felt my prick squeeze into the hot, creamy channel. I had to control myself when I felt her squeeze, making herself tight. I wanted to last, but Corinne—the other babe—didn’t help matters by straddling my partner’s face. Then I felt my own thigh being stroked, and a hand made its way down to my sweaty balls. I was fucking one girl, while another fondled my nuts!

I heard a familiar moan, one I’d only heard before when I’d caused it. Even with the women surrounding me, I had to look. Emily’s hips were gong crazy over Bruce’s cock, and while she was pumping him, this big, black guy walked up and offered her his

Story/Lezzz.com

cock. Seeing that long dark prick disappear down her throat was the final trigger. I fucked so hard and fast that the chick playing with my balls let go in self-protection. The brunette was cursing, telling me how good my dick felt and how much deeper she wanted it. I plunged the full length of my throbbing shaft into her, and she cried out that she was cumming as I shot my hefty load.

I turned to see the black guy's muscles twitch as he gave my wife a hot drink. I staggered to an unoccupied couch and the brunette and a blonde came with me to watch the end of my wife's fuck. This was just the start of the most incredible evening I'd ever had. And I'd been the guy who was scared to hear about Emily fucking other guys. Not any more. It didn't even bother me when a guy named Ed, gave her a fuck I'd never be able to equal.

You don't think of an orgy as being beautiful, but that's the only word for one thing that happened. I was lying on a mat and the blonde who had

licked my balls was just spreading her pussy over my cock when Emily lay down next to me and opened her legs for the black guy. I reached over and held her hand and squeezed it—it was like our feelings were flowing over the circuit, sharing everything that happened.

Finally, the party started to wind down. I was tired and limp, but I had one last cunt to get it up for—my wife's. I was spent, but the woman I loved was inspiration enough to get me going again. She licked me hard, with a little help from a couple of friends. I sat on my ankles and Emily knelt in front of me and backed onto my cock.

She was literally dancing on my prick—her muscles jerking on me as I matched her beat. It didn't take long before I started speeding my thrusts. I didn't have much to shoot, but I was glad I'd saved it for Emily. When we left, I told her how glad I was that I'd come to the party. She promised never to go without me again!

GIFT OF PROSTITUTION

Dear Club International,

I'm a former prostitute—something I say proudly, because by saying it proudly, I make a living as a writer, lecturer, and media personality. I've written well-received books about my experiences, detailing all the weird and wacky things I've seen many a man do.

Recently, I gave a reading at a hip bar, and in the audience was a very ladylike young woman who sat alone and hung on my every word. After my lengthy performance, she hurried over to buy an autographed copy of my latest book.

"I've always wondered what

it would be like to sell my body," she said. "You're so brave that you were able to do that."

"Brave and a little desperate, too," I replied. "At least I survived and got a literary career out of it."

"Oh, you're so modest! When I saw the ad for your reading in the city guide, I couldn't wait to hear you speak! In fact, I already own this book I just bought. I just wanted your autograph so badly! My name is Megan. I would love to have a drink with you and hear about more of your adventures! Your life sounds so much more exciting than my dull one in an

advertising office!"

"I can't hang out tonight," I said, "But how about brunch tomorrow at my place?"

Megan blushed. My reading had made it clear that I am thoroughly bisexual, and she probably realized that I wanted her for brunch. When she said breathlessly—if even a little hesitantly—that she'd be delighted, I told her to be sure to dress like a lady, because it was so becoming on her. That sentence alone made her blush even more.

She looked great the next day in such a fetching frock, but it didn't stay on for long. Soon, I was kissing her in the kitchen where I had intended to make omelets. Megan was clearly thrilled to be kissed by me, and in one of my little strokes of genius, I stripped her naked while I was still in my clothes, to make her feel

Megan came loudly, and poured out so much wetness that it felt like my face was being washed with her juices. It's hard for me to climax during a sixty-nine—even though I love the position—so I had Megan finger my cunt to get me off.

Afterward, when we were stretched out lazily on the bed, I decided to portray my desire to be the "Alpha female" as my own quirk. "You know, Megan," I said, "We actually have complementary kinks."

"What do you mean?" She kissed my mouth and ran her hand through my hair.

"This is something I've never revealed in any of my books or lectures...but...by being a prostitute, I discovered that my deepest

like a sexy little thing. I figured she would like it.

"Treat me like your whore, you beautiful...whore!" she said.

"What is it about whores that you like?"

"I...I have a fetish for having lesbian sex with ex-prostitutes!"

Still, waters run deep! Undemeath that ladylike exterior she was a kinkazoid like many of my male customers had been. I didn't hold that against her. After lovingly sucking her pretty breasts and making her smooth pussy cum on my hand, I got undressed as well, and soon we were rolling around in my bed.

We did a sixty-nine, and Megan's pussy tasted so good on my face. Naked, she seemed like an entirely different person. The ass that I held in my hands while I licked the pussy next to it sure didn't seem to belong to the blushing creature who had first approached me. Well, I love contrasts in people; that's something that made me a good whore, and makes me a good writer today.

fetish is that I like to be the alpha female—if you'll allow me to continue our time together."

"So?" Megan said, all breathless again.

Megan looked at me, and this time, the blush spread from her face right down the length of her body. As I was watching her tremble, I slid my hand in hers, grazing it down to her belly as both our palms cupped her bare pussy tightly, as if something would explode out of it. And something did. She came like a little beast, twisting at her waist, right then and there.

"Oh thank you, thank you!" she said, when she could gather her wits again. I moved a strand of damp hair off her cheek, and reached for my purse to get the silk scarf to tie her wrists together for round two. "Thank you for making me a beautiful prostitute like you!"

SILENT SLUT

Dear Club International,

It was a beautiful spring evening, and I was sitting with my friend, Brian, in a coffee shop. Fortunately, we had a booth at the window, so we could watch the endless parade of lovely chicks on the street. There was a university near by, so you can imagine what the sights were like—foxy coeds in denim short-shorts and other tight-fitting clothing. It made us nostalgic for our own college days only a few short years before. Now, we were working stiffs in the city.

One particularly great-looking girl caught my eye and looked directly at Brian and I. On a whim, I waved with my hand to

indicate she should join us. She continued on her way and Brian and I laughed and said something like, "Nothing ventured, nothing gained," and went back to our cheeseburgers; but then a minute later, the girl walked in. "I could use a cup of Joe, come to think of it," she said, and Brian hurriedly shifted in the booth to let her sit down.

This girl was one of the best we'd seen that evening. A college student indeed, and a real daredevil, judging by stories of her hobbies: Scuba diving, rock climbing and paragliding. Whatever happened to girls into home economics?

Kaitlin drank three cups of

coffee and then asked where we were going. Brian said we were headed to his apartment to watch a movie for a while. "Porn?" Kaitlin said, assuming that was our choice of flick, the cheeky bitch! "I haven't seen a good porno lately, myself." And she invited herself along.

I guess if a girl is into dangerous sports, it's logical that she could pick up two strange dudes. I could tell Brian was nervous because we didn't know much about this chick. Maybe she liked to rob guys for thrills, too?

On the other hand, she was so hot that I nudged him, and with a calming expression, I told him to relax. I guess we could have gone to my apartment, but hey, Brian's was closer and what

if she did turn out to be a thief?

At Brian's apartment, Kaitlin showed she was as capable of tackling two sturdy guys with the same gusto that she used climbing down the side of a cliff. We did put a movie on, and after five minutes of watching porn stars suck cock, we got our own dicks suctioned by Kaitlin.

Soon, Brian was squeezing her tits while she blew my dick and I played with her pussy. I couldn't help thinking that we just represented another athletic challenge to her, and wondered what it would be like to get head from a girl into home economics, but I put those thoughts away as I enjoyed her tongue on my balls. Brian seemed to forget his earlier reservations about Kaitlin

"Brian was squeezing her tits while she blew my dick and I played with her pussy"

as he fucked her pussy while she continued to work my knob with her lips. I liked the feeling of her tits in my hands, and her nipples were particularly sweet and tasty in my mouth. Kaitlin really got into the offerings, and soon she was riding my dick, too, while giving Brian a good tongue-swabbing.

This wasn't the first time that Brian and I had shared a girl together, and we kind of have it down to a routine. I like fucking the girl best—and Brian prefers head—so we soon positioned her in a sandwich and I held onto her

cheeks while I banged her fast and deep. Brian kept his meat in her mouth and held her by the hair and thrust back and forth.

Kaitlin sure was a silent kind of slut—hardly uttering a peep or moan as we did her as completely as any girl can be done! The only thing she said was: "Shoot your stuff on my body, boys," and we were happy to oblige with Brian littering her face with lots of pent-up cum (he hadn't been with a girl in a couple of weeks), and my spraying my seed all over those cheeks and up the curve of her sexy back.

There were a few moments after we were done that Kaitlin got really quiet and shuddered—both Brian and I think that's when she came, too—but like I said, she was so silent, we couldn't be sure.

When we were done, Kaitlin asked for another cup of coffee. Maybe she had to pull an all-nighter back at her dorm? We never found out, because after she finished her java, she dressed and left and we never saw her again—not even on those coed-crammed streets.

XXXMAS STORY

Every year at Christmastime, I work at one of the major department stores as Santa Claus. This has been going on for the past four years, ever since I graduated college. I love kids and the electricity connected with the holidays, not to mention that the extra money also comes in quite handy. You know the routine: Putting on a heavy suit giggling with my "Bowl full of jelly" belly. It's pretty mundane work, except how many people can say they they're Santa Claus?

Of course, sometimes something out of the ordinary happens. Such was the case last Christmas, and it was anything but mundane. Being Santa paid off—in a way my cock will never forget!

It was two days before Christmas. Business was kind of slow, the economy and all. But then this absolutely gorgeous woman walked by. She was about 30, with long auburn hair and longer legs. She glanced over at me, did a double take, then got on the end of the line, with three tots ahead of her.

When it was her turn, she smiled, bounded up, and sat on my knee. As my cock grew, digging into her backside, I asked her name. She replied, "Kathy." Following my routine, I asked if she'd been a good girl. She answered, "No, Santa, I haven't. I've let dozens of men fuck me over the past year!" With those words, my prick almost tore through my Santa outfit. I answered, "Sounds like you've been very naughty. But why don't you tell me what you want for Christmas, anyway?"

She retorted, "I want to suck

your big cock, and then I want you to stick it all the way in my moist pussy, Santa!"

This was a situation I had always fantasized about, but never expected to happen. I told her that I'd be off soon and she could come home with me. But she said no; she wanted to fuck Santa Claus—in the store! I told her we could wait until the store closed, hide, then fuck away. She agreed.

Kathy browsed around, while I waited for the day to end. She returned at the time I told her. Usually, at day's end, I go to the locker room to change. This time, I took Kathy with me. Instead of changing, we hid until all the other employees had left for the evening.

It was time for Santa to get his present. Kathy licked her lips as she took her clothes off. Her body was even better than I had imagined. Her long tresses caressed her pointed, red nipples; the curves of her body were perfectly sculpted; her legs long and lithe. Her pussy formed a perfect triangle, the strands of her thin pubic hair creating a sexy curtain through which to see her throbbing clit and wet cunt. Santa had a hard-on and he

wanted relief. I started to remove my costume, but Kathy yelled, "No, I want to be ravished by Santa Claus!" To each, her own!

Kathy, still licking her lips, sashayed over to me. She unzipped my baggy pants and with loving care pulled out my hard, throbbing "candy cane." She started licking it, urging her tongue along the shaft, inch by inch. Then, in one fell swoop, she eagerly sucked all of my meat into her mouth. Santa Claus was getting an excellent blowjob!

In the midst of her cocksucking, she stopped to murmur, "Oh, Santa, you taste so good. I always knew you would." This chick was weird, but a sexual dynamo. When she slurped my prick back onto her mouth, she did so with more fervor than ever!

While Kathy blew me, all I could think about were those stories about Santa making his yearly rounds. But those tales never mentioned that he got his cock sucked in the process! Brought back to reality by the flames of orgasm stirring in my cock, Kathy increased the intensity of her sucking as she sensed me about to burst. When I came, it was with great force. Santa

20826

"I shot a torrent of hot semen into her ass, and she came like a tigress in heat!"

STORY/KEEF.COM

deposited a gift down Kathy's throat. And she loved it. Licking the fluid off her lips, she said, "Thank you so much, Santa!"

One cum does not a night make. It was now my turn to please Kathy. I had her lie down on a bench. It was time for Santa to give a licking. I started at her tits, then worked my way down, stopping at her navel. She was giggling, since my long, white beard was tickling her. When I got to her cunt, she spread her legs as wide as possible. I began licking the length of her precious pussy. Kathy's moans filled the locker room. When my tongue found her clit, all hell broke loose. She began gyrating with great abandon, as if on fire. The woman came like no one I had ever seen, her body spasming incoherently.

My cock grew harder than ever. Kathy was still highly aroused, fingering her clit, smiling at me. I sat on the bench and motioned her over. "What did you tell Santa that you wanted?"

"I want Santa's cock inside my pussy and ass," she cooed.

I nodded, took her by her shoulders, shifted her body, then lifted her very wet pussy onto my rigid prick. Santa was giving another satisfied customer a ride on his knee. I pistoned her up and down on my prick, repeatedly asking if she liked what Santa was doing. She simply purred, "Yes, Santa, don't stop!"

Up and down, she rode my cock. It was wild, to say the least. The longer I bounced her cunt on my cock, the harder I became. She was riding me for all I was worth, the best fuck of my life. She started bucking her hips, and thrashing her legs against the side of my outer thighs. My white-gloved hands caressed her tits, while my beard brushed along her back.

Gasps soon filled the air. I couldn't hold back; I sensed Kathy couldn't either. As we raced toward climax, Kathy chanted, "Fuck me, Santa. Fuck me..."

I shot a torrent of hot semen into her ass, and she came like a tigress in heat. It took a few minutes to regain our senses. Then she got dressed, kissed me, and said, "Thanks, Santa. Thank you for giving me what I asked for. I'll try and be a good girl now!"

I'll never forget that day. I hope Kathy might return one Christmas for Santa to grant her another wish. And that's my Christmas story!

PLAYTIME!

Our new contributing editor, Ivy O'Neil reviews sex toys while still trying to concentrate on all her other work!

MY DARLING FUCKFACE

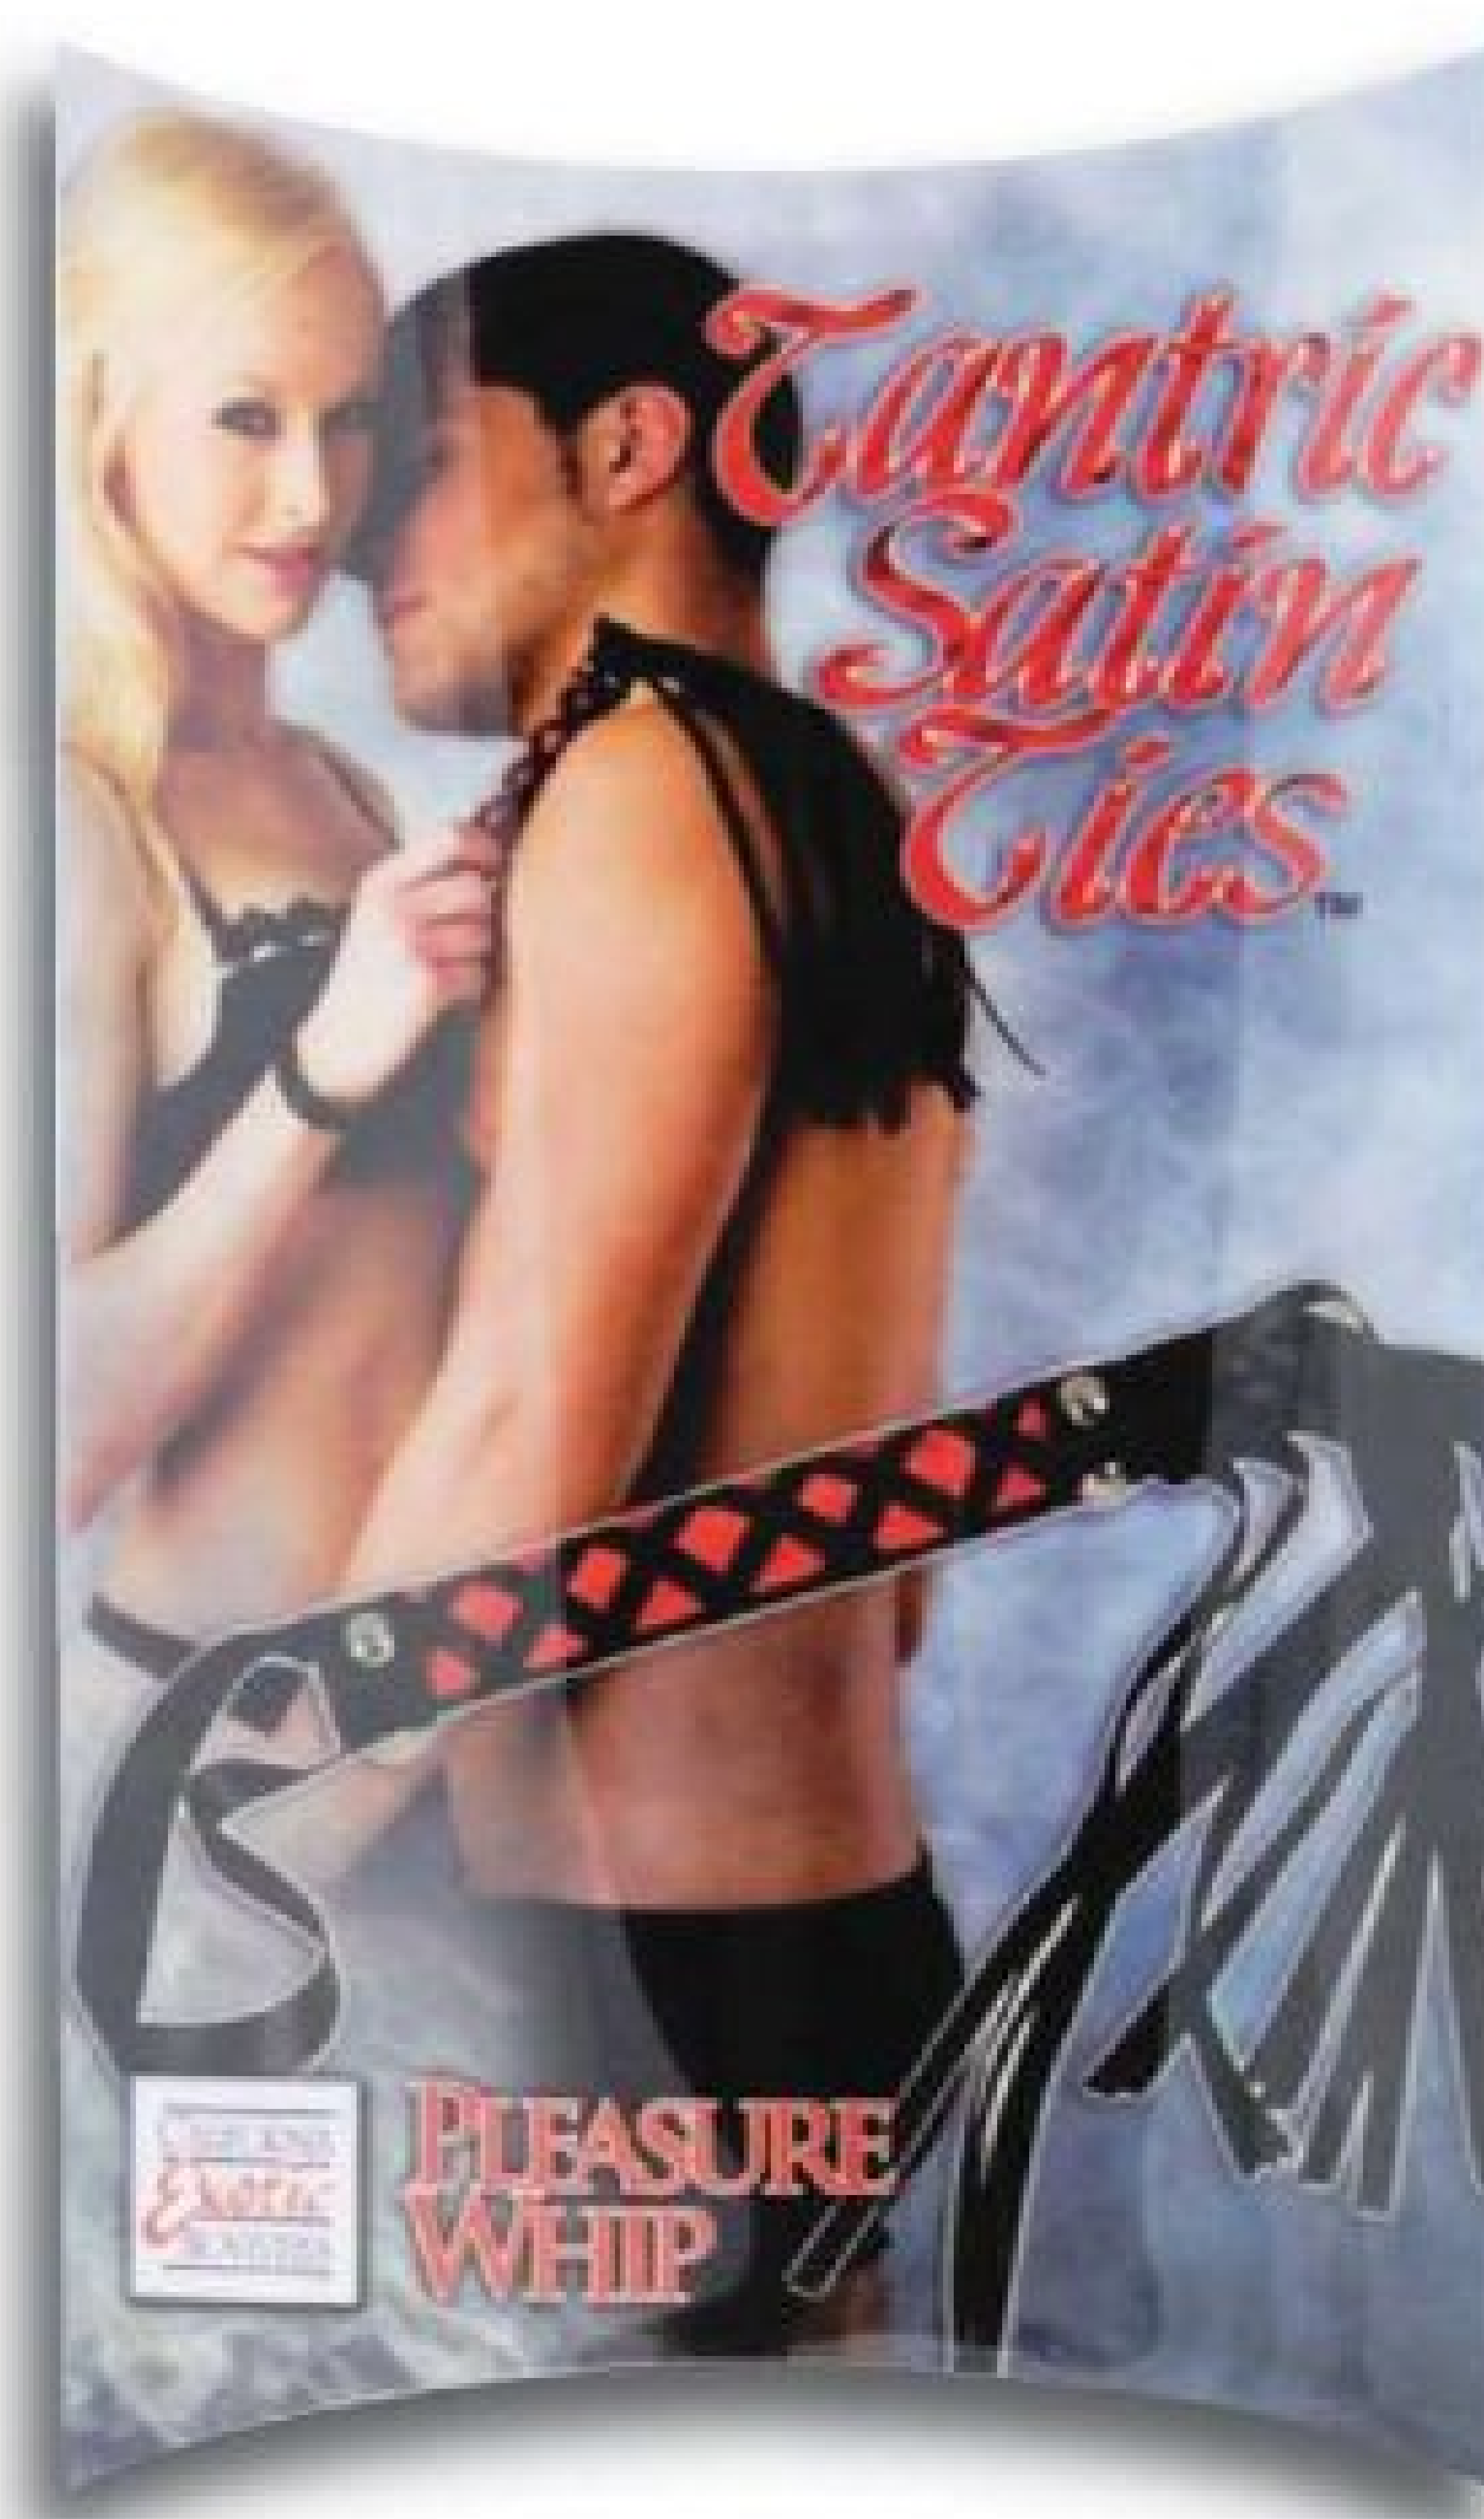

I told you in the last issue that I had a disagreement with my occasional bed-buddy, Brick, and that we split up and have been seeing other people since. My main beef with Brick was that he wasn't doing enough kinky stuff to please me! So, when he came begging to my doorstep the other night, I said I would consider taking him back if he would use some of the more unique sex devices that I review. He was willing, and so I put him on probation and told him to slip on The Accommodator, which can be found in the "Safe and Pure" section at www.calexotics.com. This item turns any man into a real sex slave! Brick got down on his knees while I lay down naked at the end of the bed and spread my legs so that he could fuck my vagoo with this 5.5" x 1.5" latex face dong. Boy, did the whole scenario turn me on! Well, Brick is back in my good graces—for now—and if he keeps up the good work, I may soon let him put his actual cock back in my box someday soon!

WARM HIS BUTT FOR BETTER PERFORMANCE!

Well, I'm glad I took Brick back, because he's been on his best behavior and we've been experiencing some new scenes we'd never done before. Next, I think he's going to enjoy the Tantric Sex Ties Whip I've gotten from the "Sensual Attire" section at Cal Exotics. This beautiful polyester whip is just what I need to playfully pace Brick as he's fucking my pussy from on top. I'll lay back and hold the whip in my hand, playfully smacking him on the butt from time to time to make sure he keeps up the rhythm I want. Guys, if you want to please a woman, indulge her adventurous side! There's no reason why fucking can't be fun as well as horny, and the wild array of amazing items you'll find at www.calexotics.com can turn your bedroom

into an endlessly interesting place to be. Take it from this 100 percent girl perv!

So, lusty ladies and gorgeous gentlemen, I hope you take my suggestions to give yourselves ever-better Playtimes! See you in the next issue...

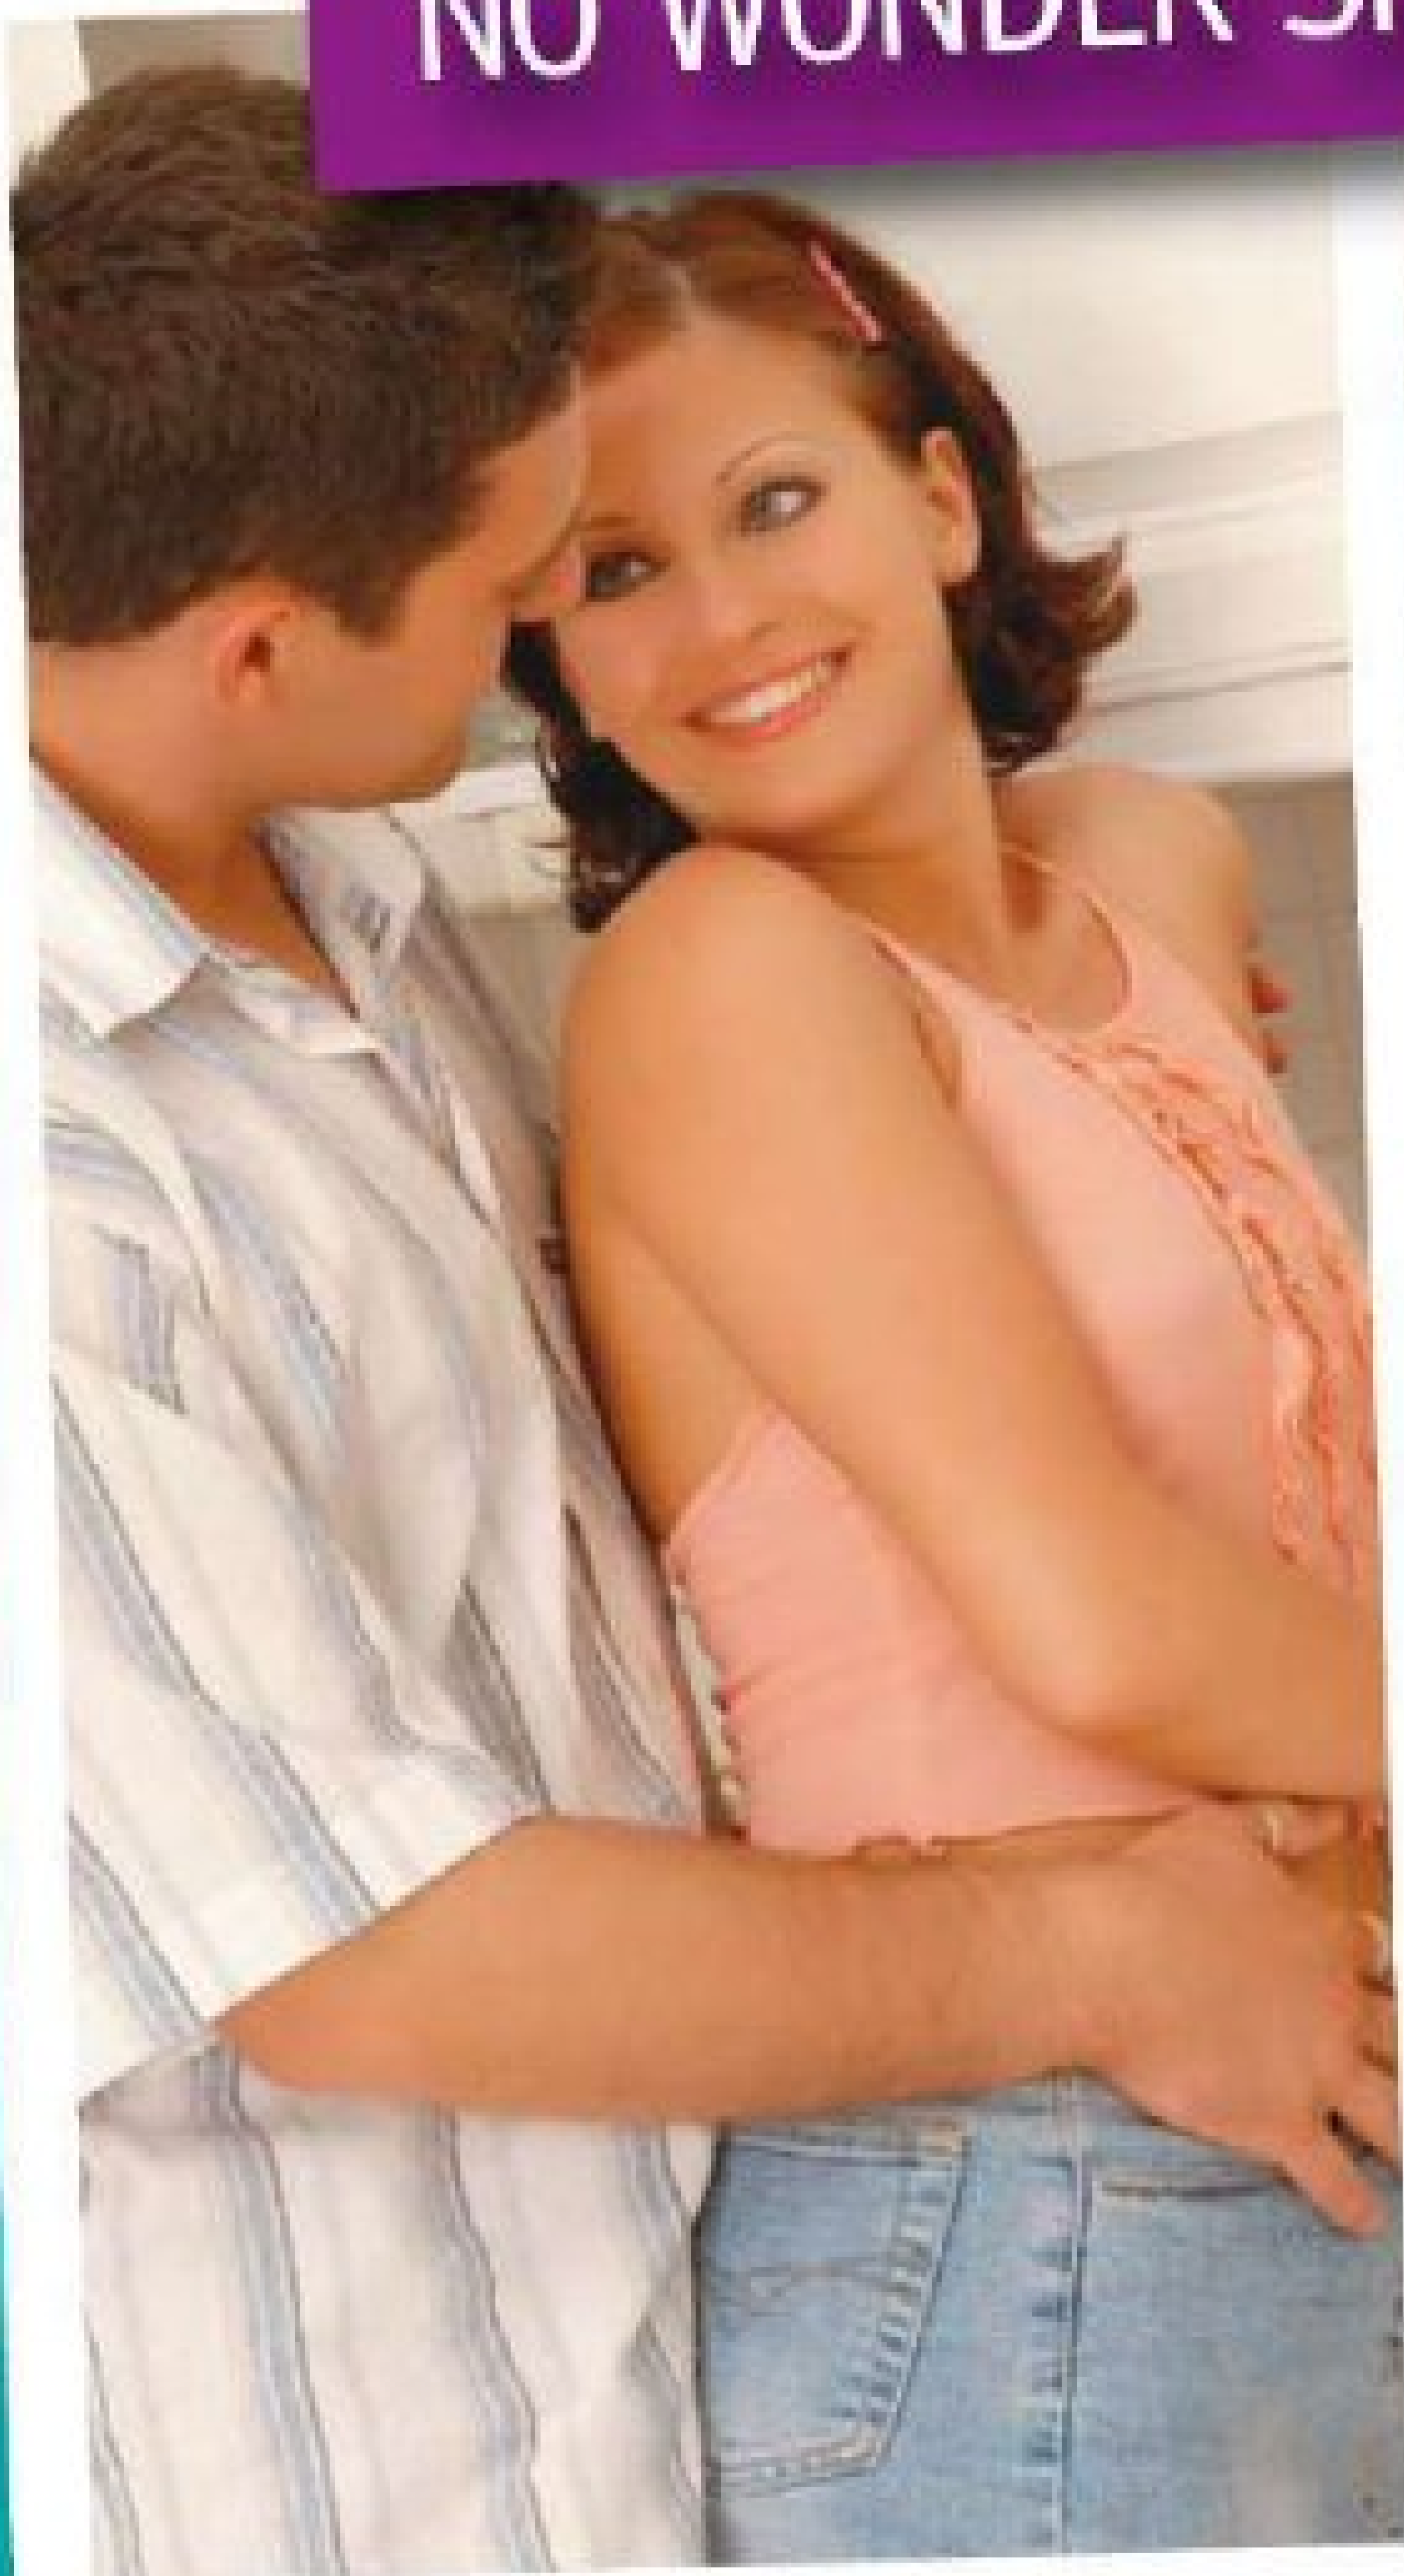

SOMETHING TO MAKE HER THROB!

I don't want Brick to think I can't exist without him, so I make sure he sees my Passion Flower G laying around—just to remind him that it takes a lot of firepower—human or mechanical—to satisfy this pervy Ivy, and that I keep my quim busy when he's not around! This stimulator is very quiet, but don't let that fool you, because it's got dual teasers and pleasure petals built into its 3.75" x 1" construction that really take over a girl's crotch. The single AAA battery it uses is enough to get this beautiful toy throbbing out one orgasm after another in a hungry pussy! You should see how gooey it makes me. Then, I have Brick stir me up with The Accommodator for an even wilder scene! Check out the Passion Flower G for your own nasty girlfriend in the "New Products" section of www.calexotics.com.

COCKED IN THE KITCHEN AGAIN!

NO WONDER SHERYL NEVER GETS ANY COOKING DONE!

Someday, Sheryl vows that she is going to learn how to cook. However, her big blue eyes and her cocksucker mouth are always getting in the way of the souffle!

She goes into her boyfriend's kitchen with the good intention that she's going to whip up a tasty meal, but somehow she always ends up on her knees paying attention to the sausage he keeps in his pants instead!

Of course, it's not just her fault; if indeed "fault" is the proper word. When her guy goes downtown for a few licks on her saucy slit—well, she's pretty much helpless.

If only science could come up with a system whereby we could get all our necessary daily intake of vitamins and calories by having sex all the time, instead of spending energy and hours concocting vittles!

In a way (at least in this instance), it kind of is Sheryl's fault. See, she has a weakness for very thick cocks, and knowing that Robert has one, it would have taken a miracle of discipline and forbearance for her not to start rubbing his meat through his pants and taking it across her tongue...

Truth be told, the kitchen is Sheryl's favorite place for sex. There's nothing like looking around at the refrigerator and stove and utensils and cabinets to make a girl feel like a rebel. After all, isn't the kitchen sacred in the annals of womanhood? Isn't it kind of like messing up a shrine when a female takes a prick where she's supposed to be breaking eggs and stirring batter?

Then to fuck, ride, kneel, slide—and then to take Robert's sauce upon her lips and chin...well, while some kitchens are making for cooking; for Sheryl, they're made for cocking.♥
